## **Spreading The Wealth:**

*SPREADING THE WEALTH.* ,2003      *Renegade* Richard Wolffe,2010 Based on the author s unprecedented access to President Obama *Renegade* reveals the making of a president both on the campaign trail and before he ran for high office

**The Pro-Growth Progressive** Gene Sperling,2005-11-30 President Bill Clinton s National Economic Adviser addresses the main issues that were at the center of debate in Bush s second term Social security reform outsourcing and deficit reduction After two consecutive elections in which Democratic candidates failed to turn clear economic advantages into electoral victory a debate is raging over what the Democrats should do now The narrow red state blue state argument between chest beating populists and soulless centrists offers the answer to neither the country s economic future nor the political future of the Democrats In *The Pro Growth Progressive* President Clinton s longest serving national economic advisor Gene Sperling argues that the best economic strategy for our nation and the best strategy for progressives whether they be Democrat Republican or Independent is to pursue policies that are both progressive and pro growth that promote progressive values of upward mobility fair starts and economic dignity as well as embrace markets and innovation Sperling describes how both parties offer the American public impoverished choices Democrats in the sky is falling party too often pretend that the way to promote progressive values and expand the American middle class is to slow the pace of the global economy stop all outsourcing and intervene in the market Republicans of the don t worry be happy party hold fast to the bankrupt vision that the best thing for economic growth is the smallest government possible and have made the conservative deficit hawks of the 1990s an endangered species But *The Pro Growth Progressive* is neither an all out assault on the Bush agenda nor a partisan call for Democrats to move further left Both conservatives and progressives have to accept hard truths about the limitations of their approaches Drawing on his years of policy experience Sperling lays out a third way on the issues that are dominating the news and Bush s second term social security ownership globalization and deficit reduction He explains the policy alternatives that respect the power of free markets while giving government a role in ensuring that the markets benefit all working families Focused and timely *The Pro Growth Progressive* offers a realistic vision of free enterprise and economic growth in which government can improve education reduce poverty and restore the country to fiscal sanity      *High-Performance Ethics* Wes Cantrell,James R. Lucas,2013-04-26 Do you have to lower your ethical standards in order to succeed at your job *High Performance Ethics* authors Wes Cantrell and James Lucas say that the answer is no The authors outline ways to make ethical decisions based on the Ten Commandments that lead to highly successful business practices *High Performance Ethics* includes tips on how to lead a team with integrity practical tools for resisting the pressure to compromise workplace standards and encouragement for workers who want to see strong businesses and strong values thrive 10 Principles First Things Only priorities Ditch the Distractions Align with Reality never claim support for a bad cause Find Symmetry Respect the Wise Protecct the Souls Commit to the Relationships Spread the Wealth Speak the Truth Limit

Your Desires      **The Rise of Today's Rich and Super-Rich** Roy C. Smith,2004-12 The story of some of America's leading billionaires and how they made their fortunes      **Metaphor and Mills** Honesto Herrera-Soler,Michael White,2012-07-04 While the role of metaphor in economics and business has produced multiple research articles no comprehensive book length study has yet appeared The present book is a timely attempt to fill this gap giving a global coverage of the role of metaphor in business and economics It spans time from Classical Greece to the current business network meeting room space from Europe through the Americas to Asia cultures and languages from continental European languages Brazilian Portuguese to Chinese The theoretical grounding of the book is the Conceptual Theory of Metaphor taken in a dynamic sense as evolving with on going research The theory is thus used adapted and refined in accordance with the evidence provided Metaphor is shown to be theory constitutive in the elaboration of economic thinking down through the ages while at the same time the emphasis on evidence open to historical cross cultural and cross linguistic considerations align with the current notion of situatedness The book is a rich source of information for researchers and students in the fields of Metaphor Studies Economics Discourse Analysis and Communication Studies among others      **The Wealth Hoarders** Chuck Collins,2021-03-08 For decades a secret army of tax attorneys accountants and wealth managers has been developing into the shadowy Wealth Defence Industry These agents of inequality are paid millions to hide trillions for the richest 0.01% In this book inequality expert Chuck Collins who himself inherited a fortune interviews the leading players and gives a unique insider account of how this industry is doing everything it can to create and entrench hereditary dynasties of wealth and power He exposes the inner workings of these agents of inequality showing how they deploy anonymous shell companies family offices offshore accounts opaque trusts and sham transactions to ensure the world's richest pay next to no tax He ends by outlining a robust set of policies that democratic nations can implement to shut down the Wealth Defence Industry for good This shocking exposé of the insidious machinery of inequality is essential reading for anyone wanting the inside story of our age of plutocratic plunder and stashed cash Also available as an audiobook      *Loner Life in Another World (Light Novel)* Vol. 4 Shoji Goji,2022-12-15 The frontier has been saved from Nallogi's advances but Haruka's problems aren't over yet As Haruka and his classmates delve deep into the dungeons around Omui they encounter an invincible dungeon king strong enough to rival Angelica herself Meanwhile the kingdom moves against the frontier led by a mysterious member of the royal family Are Haruka's cheat skills enough to escape unscathed or is this the end for the fantasy world loner      **Planning for Serfdom** Robin Paul Malloy,2016-11-11 Robin Paul Malloy examines efforts at urban development and revitalization as prototypical examples of a monumental transformation in American law His investigation reveals that America has rejected a belief in the marketplace individual freedom and autonomy and has instead opted for an ideological commitment to concepts contrary to the rhetoric upon which this country was founded The urban landscape and its ideological infrastructure are being corrupted by greedy special interest groups and a political system unable to avoid its own excesses This book is unique

in its blending of legal and economic analysis With a detailed and fresh new interpretation of Adam Smith Malloy undertakes to challenge some of the most highly promoted urban planning devices and concludes that American law and values are in transformation He also examines the legal and economic arrangements that have led America down this path of ideological drift and focuses on examples of urban revitalization efforts in several cities including Indianapolis Boston Pittsburgh St Louis and Louisville Recommendations for change are provided Fundamentally however he concludes that change must begin with the reinvigoration of individual values values that respect individual freedom liberty and human dignity values being readily displaced by the current ideological drift of American legal and economic culture Planning for Serfdom is an important and controversial book that will be of interest to scholars and students of law economics politics and philosophy

**Tea Party and the Second Civil War** Richard D. Ondo, 2010-08 Saving America from political corruption is the movement of citizens who form the Tea Party Rich men a Chicago banker Middle Eastern radicals and a European tycoon manipulate the elections The idea is to legally steal the nations wealth **Disinherited Majority** Charles Derber, 2015-11-17 Thomas Piketty s blockbuster 2014 book Capital in the 21st Century may prove to be a game changer one of those rare books such as Friedan s The Feminine Mystique which helped spark a new feminist movement The world wide flood of commentary suggests Piketty s book has already opened a new conversation not only about inequality but about class capitalism and social justice Inherited wealth is at the heart of Capital in the 21st Century and Derber shows how the disinherited majority is likely to affect the future In his new book Derber shows that there are actually two Pikettys different voices of the author on the 1% inheritance and capitalism itself that create a fascinating and unacknowledged hidden debate and conversation within the book Drawing on Piketty s discussion Derber raises fourteen capital questions with new perspectives on caste and class warfare the Great Recession the decline of the American Dream and the Occupy movement that can guide a new conversation about the past and future of capitalism The Disinherited Majority will catalyse a conversation beyond Piketty already emerging in colleges and universities town halls coffee shops workplaces and political parties and social movements an essential class for all Americans **Global Health and Sustainable Development**

**Architecture** Mei-Ling Wang, 2009 In Global Health and Sustainable Development Architecture Mei Ling Wang discusses the convergence of such problems as financial crisis water food and energy shortage earthquakes and disasters epidemics and pandemics wars and nuclear threats What is wrong with our development model What is the solution This book aims to answer these questions by providing an alternative model to conceptualize sustainable development The Inclusive Sustainable Development Theory disputes the conventional winnership model that supports unlimited expansion and materialism in global development Instead it focuses on inclusion and sustainable peace as the cornerstone of sustainable development The Hexagon of Partnership Model highlights the importance of inclusive dialogue partnerships and community capital in carrying out global sustainable development endeavors that protect global food energy and water security Book

jacket     Energy Made Easy Ronald Stein,Todd Royal,2019-08-08 Energy is multifaceted and Energy Made Easy allows the reader to grasp enough knowledge quickly so they can participate in discussions with family friends co workers or while watching news reports The main purpose of the book is to Help Citizens Become Energy Literate As an added benefit to the reader each chapter is a stand alone read on twelve energy subjects The readers may not be interested in the entire spectrum of energy but can selectively pick and choose hot energy topics trending on current news or social media coverage It is dangerous and delusional to believe anything can be explained in sound bites much less energy This book will make you look at energy and electricity in a new fresh way and perspective We believe this is desperately needed with the upcoming U S Presidential election and global events taking place in China Russia Iran Africa India and South America     **Free Market Missionaries** Sharon Beder,2012-06-25 In her recent book Suiing Themselves bestselling author Sharon Beder exposed how the global corporate elite have brazenly rewritten the rules of the global economy to line their pockets In this new book she trains her sights on the insidious underbelly of this global trend to show how they have also orchestrated a mass propaganda campaign to manipulate community values and convince us that their interest co opting and controlling all of us in the name of the free market is in our interest During the 20th century business associations coordinated mass propaganda campaigns combining 20th century American PR methods with revitalized free market ideology from 18th century Europe The aim was to persuade people to eschew their own power as workers and citizens and forego their democratic power to restrain and regulate business activity Sophisticated corporate funded think tanks augmented these campaigns in the 1970s and 1980s promoting free enterprise and business friendly policies These free market missionaries now seek to change individual and institutional values through bolder strategies such as expanding share ownership and manipulating wider public concerns In each case the goal is the same the triumph of business values over community values Beder s is an intellectual call to arms challenge the ideology of the free market missionaries or be converted to it     **Extending Canadian Health Insurance** R.G. Evans,M.F. Williamson,1978-12-15 This study explores the policy options a provincial government might consider in extending health care coverage to the purchase of prescription drugs and dental care It examines the major public policy objectives involved such as spreading risk redistributing wealth and reducing the barriers to care and evaluates alternative programs in terms of their costs and efficiency as well as their realization of the basic social objectives of health care Using varied statistics some drawn from schemes in other provinces it estimates what different packages of pharmacare and denticare would have cost in Ontario in 1975 The results indicate that universal coverage may be one of the most costly and least effective options Based on current modes of service delivery a universal pharmacare and denticare program would transfer wealth to upper income groups without significantly improving the utilization of health care services A study of drug manufacturing and retailing systems in Canada and of the structure of dental services suggests that wasteful methods of service delivery could lower per capita costs by 30 to 40 per cent Potential annual savings in

pharmacy and dentistry together in Ontario run into the hundreds of millions of dollars The authors show how a combination of competitive pressures and selective public intervention can be used to rationalize the delivery system They caution however that such potential savings will be forever unrealized if a public insurance type of program is introduced which freezes the existing system in place and forecloses the options of either public provision or private market competition

Martin,2014-05-05 Russell Long 1918 2003 occupies a unique niche in twentieth century United States history Born into Louisiana s most influential political family and son of perhaps the most famous Louisianan of all time Long extended the political power generated by other members of his family and attained heights of power unknown to his predecessors including his father Huey The Long family and its followers pervaded Louisiana politics from the late 1920s through the 1980s Being a Long especially a son of Huey Long preordained Russell for a political life His father s assassination set the wheels in motion for his eventual political career In 1948 Russell followed his father and his mother to a seat in the United States Senate In due course he rose to the politically eminent positions of majority whip and chair of the Senate Finance Committee Russell Long A Life in Politics examines Long s public life and places it within the context of twentieth century Louisiana southern and

national politics In Louisiana Long s politics arose out of the Longite Anti Longite period of history Yet he transcended many of those two groups factional squabbles In the national realm Long s politics exhibited a working philosophy that straddled the boundaries between New Deal liberalism and southern conservatism By the time of his retirement in early 1987 he had witnessed the demise of one political paradigm the New Deal liberal consensus and the creation of one dominated by a new style of conservatism

*Development-Oriented Corporate Social Responsibility: Volume 2* Dima Jamali,Charlotte Karam,Michael Blowfield,2017-09-08 This volume provides a platform for localized perspectives on CSR in developing countries across the globe The chapters bring local context and business to the forefront and highlight the efforts spearheaded by indigenous actors from within the developing world They present insights from developing countries through successful and less successful examples of locally led CSR efforts Together these perspectives capture the complex paradoxes of CSR in developing countries and highlight common features in national institutions across the developing world such as weak political and regulatory institutions that shape local CSR initiatives and often limit its developmental impact The editors argue the need to embrace partnership models that leverage the strengths of different actors to promote effective development and tackle the complex challenges facing the developing world This important series will be the reference source for academics practitioners policy makers and NGOs involved in development oriented CSR
