The Homebrewed Christianity Guide to Jesus Tripp Fuller,2015-11-01 Christology is crazy Its rather absurd to identify a first century homeless Jew as God revealed but a bunch of us do anyway In this book Tripp Fuller examines the historical Jesus the development of the doctrine of Christ the questions that drove christological innovations through church history

contemporary constructive proposals and the predicament of belief for the church today Recognizing that the battle over Jesus is no longer a public debate between the skeptic and believer but an internal struggle in the heart of many disciples he argues that we continue to make christological claims about more than an event or simply the Jesus of history On the other hand C S Lewis's infamous liar lunatic and Lord scheme is no longer intellectually tenable This may be a guide to Jesus but for Christians Fuller is guiding us toward a deeper understanding of God He thinks it's good news good news about a God who is so invested in the world that God refuses to be God without us      **Michigan Christian Advocate** ,1904      *Famous People Speak About Jesus* Christopher H.K. Persaud,2004-11-16 WHO DO YOU SAY THAT I AM Jesus posed the question to His disciples a short time before he was unfairly accused and wrongfully condemned to death after being subjected to a mockery of a legal trial before he was horrendously abused and killed atop a wooden cross And who do you say that I am Peter the disciple who was to initiate and lead the astounding movement we know today as Christianity answered You are the Son of the living God to which Jesus replied Peter you are the rock upon which I will build my Church and the gates of hell will not prevail against it Jesus question reverberates throughout history as we know it and directly and indirectly people have answered and continue to respond to this most poignant of inquiries Let us endeavor in this regard to peer into the thoughts of over a thousand notable men and women from the first century following Christ's life and times to the present age Let us read what monarchs presidents statesmen philosophers scientists theologians writers philanthropists poets composers singers songwriters actors actresses television talk show hosts athletes and Christian martyrs throughout history among others and even a dictator or two and a few infamous personalities have had to say about this mesmerizing young rabbi who wandered the Judean hills over two thousand years ago      *30 Christian Impact Athletes* Michael Louthian,2009-12 What Christian was named the greatest coach in the history of team sports by Sporting News Magazine Can you name the Christian who invented basketball Can you name three Christian athletes who came to the Lord during their professional careers Do you know which Christian athlete died in the arms of Dr James Dobson At the age of five Michael Louthian traded his kindergarden books for the sports pages His avid desire to know everything there was to know about sports and the sports world never waned Throughout his life Louthian has soaked up every piece of information he could get his hands on Through asking questions he was able to uncover answers In his second book *30 Christian Impact Athletes* Louthian now asks questions about illegal gambling in basketball and steroid use in baseball As a student of history Louthian followed professional sports beyond the usual statistics He absorbed all the available information about the athletes in what has become during his lifetime an industry of gigantic proportions and an influence of unprecedented depth on our society Professional athletes increasingly indulge in behavior that we would never condone in our children or in ourselves Yet they are given a pass when their behavior is illegal or boarish Louthian spotlights the lives of thirty Christian athletes who have had a major impact on society and sports Jackie Robinson Branch Rickey Meadowlark Lemon Albert Pujols John Wooden Tim

Tebow and Kurt Warner are among the athletes featured Each of the thirty athletes travelled a unique road to their acceptance of the Lord Jesus Christ Louthian challenges Christian fans to stand tall against the secularists who believe that Christianity should be limited to the religion and obituary columns It is a thought provoking and entertaining read for avid sports fans of all ages *Association Monthly*, 1918

**THE STATE OF CHRISTIANITY** Dennis A. Beaudry, 2022-10-12

The State of Christianity takes a prophetic look at the body of Christ and America and where the two of them are heading Ever increasing onslaughts against the church from various entities results in legislation that restricts Christians from accomplishing their work as commissioned by Christ But true Christians become repulsed by the blight of a decaying society and frustrated with their failure to reverse the nation s moral decline They never give up nor succumb to the forces of opposition Instead they seek God s direction for an alternative plan which comes as an exodus of sorts Arriving at a central point in the country they unite living so prosperously and peacefully the rest of the crumbling nation can t help but notice Obedient Christians making tremendous sacrifices to live according to the mandates of their faith the way it has been throughout the history of Christendom Call them new pilgrims radicals or fanatics for Christ but as always call them victorious
