Homestead Homilies Barry Blackstone, 2017-01-31 Relive through reminiscing and remembering a Maine pastor's recollections of boyhood experiences that turned into a minister's messages in old age After five decades Barry's first message was preached in 1966 travel back in time with a lifelong Maine native to his home place the Blackstone homestead of Perham Maine What sparked these homilies

was his inheritance of seven acres of the family farm homesteaded in 1861 and the receiving of his grandparent's house built in 1924 at the death of his Uncle Paul. You will probably come to the same conclusion as this coastal Maine pastor that his seminary training began long before he attended a Bible school in South Carolina in the early 1970s. Flash back with him to the 1950s and 1960s when spiritual lessons were everywhere on his rural potato and dairy farm. Pastor Blackstone didn't know it then but realizes now that he was surrounded by family Bible teachers and friendly Biblical instructors that eventually would inspire this series of sermons. Homestead Homilies is a collection of scriptural observations inspired by a dog named Rover, an uncle named Read, a moonlit night, a barnyard hedge, a day plowing, a grandmother's helpful hand, a bee hive, a simple prayer, a sparrow's song, and many more simple events in a past age where homilies were being preached and now eventually heard. It is the author's prayer that these simple sermons will provoke the reader to remember long lost messages from their distant past. *Transactions Asiatic Society of Japan, 1925* *Transactions of the Asiatic Society of*

Japan Asiatic Society of Japan, 1925. List of transactions v 1 41 in v 41. **Embracing the Firebird** Janine Beichman, 2002-07-31. How did a girl from the provinces meant to do nothing more than run the family store become a bold and daring poet whose life and work helped change the idea of love in modern Japan? *Embracing the Firebird* is the first book-length study in English of the early life and work of Yosano Akiko, 1879-1942, the most famous post-classical woman poet of Japan. It follows Akiko who was born into a merchant family in the port city of Sakai near Osaka from earliest childhood to her twenties, charting the slow process of development before the seemingly sudden metamorphosis. Akiko's later poetry has now begun to win long overdue recognition but in terms of literary history the impact of *Midaregami Tangled Hair* 1901, her first book, still overshadows everything else she wrote for it brought individualism to traditional tanka poetry with a tempestuous force and passion found in no other work of the period. *Embracing the Firebird* traces Akiko's emotional and artistic development up to the publication of this seminal work which became a classic of modern Japanese poetry and marked the starting point of Akiko's forty-year-long career as a writer. It then examines *Tangled Hair* itself, the characteristics that make it a unified work of art and its originality. The study throughout includes Janine Beichman's elegant translations of poems by Yosano Akiko, both those included in *Tangled Hair* and those not, as well as poems by contemporaries such as Yosano Tekkan, Yamakawa Tomiko, and others.
