The Effect of Interpersonal Relatedness on Partner Abuse as Mediated by Hopelessness and Depression in African-American Males Larry B. Rankin,1998 **Shadow Realignment, Partisan Strength and Competition** Albert Nelson,2001-11-30

Challenging the argument that party cycles no longer exist Nelson reconstructs party strength indices associated with national and state Democratic electoral outcomes between 1960 and 2000 Four periods are distinguishable Democratic liberalism of 1960 1968 Dealignment between 1968 1984 the shadow realignment during 1985 1992 and the conservative consolidation between 1993 2000 During each of these periods party competition increased and Republicans gained ground setting the groundwork for the GOP s national and local success in the 2000 elections The variable effects of the South proportion of foreign born population and population change in each state on contemporary party strength and presidential elections from 1980 to 2000 are also explained Students and scholars interested in political parties American government and state and local government will find Nelson s findings compelling Displaying an overwhelming grasp of the literature on partisan change Nelson presents new and interesting insights that help to explain why traditional alignment theory cannot explain the partisan change that has taken place over the past forty years **Practical Social Investigation**

Richard Lampard,Christopher Pole,2015-10-15 Practical Social Investigation provides within a single text an introduction to a wide range of both long standing and newer social research methods Its balanced and integrated coverage of qualitative and quantitative approaches demonstrates that they can be complementary While research practice is emphasised readers are encouraged to reflect on methodological issues as well as being provided with tools for their own research This coherent accessibly written book draws upon the authors extensive experience of conducting research and teaching research methods Numerous examples based on real research studies illustrate key issues in a way that acknowledges both the messiness and the creativity of social research **Subject Guide to Books in Print** ,1991 *Quarterly Journal of the Florida Academy of Sciences* Florida Academy of Sciences,1999
