Studying Crime in Fiction Eric Sandberg, 2024-03-04

The primary aim of *Studying Crime in Fiction: An Introduction* is to introduce the emerging cross disciplinary area of study that combines the fields of crime fiction studies and criminology The study of crime fiction as a genre has a long history within literary studies and is becoming increasingly prominent in twenty first century scholarship Less attention however has been paid to the ways in which elements of criminology or the systematic study of crime and criminal behaviour from a wide range of perspectives have influenced the production and reception of crime narratives Similarly not enough attention has been paid to the ways in which crime fiction as a genre can inform and enliven the study of criminology Written largely for undergraduate and graduate students but also for scholars of crime fiction and criminology interested in thinking across disciplinary boundaries *Studying Crime in Fiction: An Introduction* provides full coverage of the backgrounds of the related fields of crime fiction studies and criminology and explores the many ways they are reciprocally illuminating The four main chapters in Section 1 Orient You familiarize readers with the history and contours of the broad fields within which *Studying Crime in Fiction: An Introduction* operates It introduces the history of crime and criminology as well the history of crime fiction and the academic field dedicated to its study In its final chapter it looks at the ways these areas of study can be conceptually interrelated Section 2 of the book Equip You is dedicated to examining aspects of criminological theory in relation to various forms of crime fiction It highlights a range of the most relevant theories paradigms and problematics of criminology that appear in shed light on or can be effectively illuminated through reference to crime fiction Its five chapters

deal with the definition of crime explanations for crime and criminal behaviour investigations into crime the experience of crime and finally punishments for crime All of these areas are examined alongside examples of crime fiction drawn from across the genre s history Section 3 Enable You presents six case studies Each of these reads a work of crime fiction alongside one or more criminological approaches Each case study is supplemented with a set of questions addressing issues central to the study of crime in fiction

English Novel Hist 1895-1920 David Trotter,2022-02-22 First Published in 1993 Written specifically for students and assuming no prior knowledge of the subject David Trotter s The English Novel in History 1895 1920 provides the first detailed and fully comprehensive analysis of early twentieth century English fiction Whereas all previous studies have been rigorously selective Trotter looks at over 140 novelists across the whole spectrum of fiction from the innovations of Joyce s Ulysses through to popular mass market genres such as detective stories and spy thrillers By examining the novels in both stylistic and historical terms David Trotter looks at the ways in which writers responded to contemporary preoccupations such as the spectacle of consumption and the growth of suburbia or to anxieties about the decline of Empire racial degeneration and sexual anarchy He also challenges the view that literature of the period can be interpreted as a neat procession from realism to Modernism
