Flyfisher's Guide to Virginia David Hart, 2006-09 Geological Survey Professional Paper ,1988 *Annual Message of ... Mayor of Fort Wayne, Indiana with Annual Reports of Heads of Departments of the City Government for the Fiscal Year Ending ...* Fort Wayne (Ind.), 1909 **Spynest** Edwin Ruis, 2016-02-03 After the First World War broke out Holland and the port city of Rotterdam in particular became a prolific breeding ground for secret agents and spies The neutrality of the Netherlands its geographical position between the warring nations and its proximity to the Western Front meant that the British and German secret services both chose Holland as the main base for their pioneering spy operations It was here that the new intelligence agencies fought their battles each in pursuit of the other s secrets Both sides sent in their own agents but they also hired local men and women to work for them as couriers trainspotters and infiltrators Many of them were recruited from the shadowy criminal underworld and brought with them their own concerns others sacrificed their lives for love of their country Author Edwin Ruis has plumbed the depths of the international archives to bring to light the unexplored and often wellguarded secret histories of intelligence in the First World War But even this is only half the story Those who were not found out the truly successful spies remain a mystery to this day *Run, Spy, Run!* Craig Simpson, 2014-05-22 A British secret agent is photographing top secret German files when he is unexpectedly interrupted and the alarm is raised What follows is a desperate battle for survival as Jaques is pursued hiding where he can and not able to trust anyone He must find a path out of Occupied France to get the camera and film into British hands nothing else not even his own life matters
