Sustainable Investing Cary Krosinsky,Nick Robins,Stephen Viederman,2011-10-14 Sustainable Investing is fast becoming an essential method of generating long term returns moving beyond the negative approaches to socially responsible investing that have dominated the field This book our second on the subject provides over 15 case studies of leading global investors and companies demonstrating how they successfully apply sustainability aspects to their core strategies Learn from prominent thought leaders Dan Esty and Paul Hawken among others who have contributed key chapters Our chapter on performance shows clearly how these strategies have been working once negative approaches are parsed out by those examining fund returns This book also examines in great depth what data exists and what s on the horizon to best measure capture sustainability successfully Regional perspectives including 3 chapters on Asia and focuses on Canada Australia Africa India are also included as is a look across asset classes Sustainable Investing when performed with a positive perspective has been outperforming the mainstream unlike negative approaches designed to match benchmark returns From eco efficiency to sustainability driven innovation and beyond investors of all shapes sizes need to know how best to position themselves for the radical market shifts underway Congressional Record United States. Congress,1977 *Translations from Red Flag* ,1985 Informal Women Workers in the Global South Jayati Ghosh,2021-01-28 Formalising employment is a desirable policy goal but how it is done matters greatly especially for women workers Indeed formalisation policies that do not recognise gendered realities and prevailing socio economic conditions may be less effective and even counterproductive This book examines the varying trajectories of formalisation and their impact on women workers in five developing countries in Asia and Africa India Thailand South Africa Ghana and Morocco They range from low to middle income countries which are integrated into global financial and goods markets to differing degrees and have varying labour market and macroeconomic conditions The case studies using macro and survey data as well as in depth analysis of particular sectors provide interesting and sometimes surprising insights Despite some limited successes in providing social protection benefits to some informal workers most formalisation policies have not really improved the working conditions of women workers In many cases that is because the policies are gender blind and insensitive to the specific needs of women workers The impact of formalisation policies on women in developing countries is relatively under researched This book provides new evidence that will be applicable across a wide range of developing country contexts and will be of interest to policymakers feminist economists and students of economics labour gender and development studies public policy politics and sociology **Library Journal** Melvil Dewey,Richard Rogers Bowker,Frederick Leypoldt,Charles Ammi Cutter,Karl Brown,Bertine Emma Weston,Helen Elizabeth Wessells,1951 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library
