Taxation Simplified:

Russia Taxation Laws and Regulations Handbook Volume 1 Strategic Information and Basic Regulations IBP USA, **The Taxation of Income from Business and Capital in Colombia** Charles E. McLure, 1990 Over the years Colombian tax officials have received the benefit of first class advice of leading foreign scholars In return these scholars and indeed everyone concerned with development policy have gained a great deal both from the unusual willingness of Colombians to consider new ideas in detail and then after full public discussion drawing on the work of these experts to design a made in Colombia solution The book s most important contribution however is undoubtedly with respect to consumption taxes No one anywhere has thought through with such care just how the so called simplified alternative tax essentially a direct personal consumption tax combined with a cash flow corporate tax might work in the real world Since such taxes are increasingly being considered if not adopted all over the world in developing and developed countries alike for this reason alone this book should be high on the reading list of all those concerned with the design and implementation of efficient and equitable direct tax systems From the Foreword by Richard M Bird *OECD/G20 Base Erosion and Profit Shifting Project Tax Challenges Arising from the Digitalisation of the Economy - Consolidated Commentary to the Global Anti-Base Erosion Model Rules (2023) Inclusive Framework on BEPS* OECD, 2024-04-25 A key part of the OECD G20 BEPS Project is addressing the tax challenges arising from the digitalisation of the economy In October 2021 over 135 jurisdictions joined a ground breaking plan to update key elements of the international tax system which is no longer fit for purpose in a globalised and digitalised economy **OECD Tax Policy Studies Taxation of SMEs in OECD and G20 Countries** OECD, 2015-09-05 SMEs are important for their contribution to employment innovation economic growth and diversity This report examines the tax treatment of SMEs the case for SME preferences and the use of tax preferences and simplification measures for SMEs in thirty nine OECD and G20 countries **Tax Compliance Costs for Companies in an Enlarged European Community** Michael Lang, 2008-01-01 When it comes to taxation administrative costs to the tax authorities and compliance costs to the taxpayers arise A lot of studies have already been conducted in order to shed more light on such hidden costs of taxation Particularly in the field of transfer pricing administrative and compliance costs are assumed to be quite high due to the obligation of computing and documenting an arm s length price for each intra group transaction Apparently European policy makers have also become aware of this problem since the European Commission s report released in 2001 *Company Taxation in the Internal Market* recommends targeted measures in the short run and comprehensive ones in the long run crossing the border line of the currently prevailing transfer pricing approach inter alia in order to combat compliance costs in the field of transfer pricing Eighteen national reports from countries all over the world and a general report deal with the basics of administrative and compliance costs of taxation in general as well as compliance costs in the field of transfer pricing in particular The book is completed by three special reports on certain issues The

findings of the reports included is greatly influenced by the discussions on the occasion of the Jean Monnet Conference on this topic which was held in spring 2006 in Rust Austria under the academic guidance of the Institute for Austrian and International Tax Law at the Vienna University of Economics and Business Administration Back cover **Fundamental Tax Reform** United States.
