

The background is a painting of a landscape. In the upper right, three wild geese are in flight, their wings spread, flying from right to left. Below them, a range of mountains is visible, with a large, white, snow-covered peak on the left. The foreground consists of a body of water, possibly a lake or a wide river, with a mix of green and yellowish-brown tones, suggesting reeds or grasses. The sky is a pale blue with soft, white clouds.

WILD GEESE

Mary Oliver

You do not have to be good.
You do not have to walk on your knees
for a hundred miles through the desert repenting.
You only have to let the soft animal of your body
love what it loves.
Tell me about despair, yours, and I will tell you mine.
Meanwhile the world goes on.
Meanwhile the sun and the clear pebbles of the rain
are moving across the landscapes,
over the prairies and the deep trees,
the mountains and the rivers.
Meanwhile the wild geese, high in the clean blue air,
are heading home again.
Whoever you are, no matter how lonely,
the world offers itself to your imagination,
calls to you like the wild geese, harsh and exciting -
over and over announcing your place
in the family of things.
