Harold Pinter

Tea Party Time:

Party Time ; And, The New World Order Harold Pinter, 1993 Born in London in 1930 Harold Pinter holds an undisputed place in the front ranks of contemporary playwrights These two plays Party Time and The New World Order work in chilling tandem each demonstrating the inevitable brutality that comes with a total conviction of right Party Time is a terrifying portrait of the culpable indifference of a privileged class of the cruelty engendered in its members by political disruption and of their merciless extinction of dissent At an elegant cocktail party a stylish bourgeoisie discusses country clubs and summer homes while below in the streets a sinister military presence protects them from the unmentionable horrors of poverty vulgarity squalor In The New World Order two interrogators harass a man whom they condemn for his questioning of received ideas and whom we know only as threat to their closed vision of democracy Blood in the Face (revised new edition) James Ridgeway, 2025-01-14 In 1990 BLOOD IN THE FACE The Ku Klux Klan Aryan Nations Nazi Skinheads and the Rise of a New White Culture was the first book to uncover the contours beliefs leaders and wider influence of the American racist far right movement It told their story from the inside out complete with interviews recruiting pamphlets cartoons rants sermons threats police reports and more The accompanying analysis by veteran investigative reporter James Ridgeway detailed the movement's volatile history and its expansion beginning in the 1980s insisting that the groups making up this fringe culture were too powerful and too much a part of American culture to be ignored or dismissed When the book's prescience about the dangers of the racist far right became manifest in the Oklahoma City bombing of 1995 a second edition of BLOOD IN THE FACE was released with a new introduction charting the rise of the Militia Movement to which Timothy McVeigh and his co-conspirators were connected Since then both the book and the documentary film that accompanied its release also titled BLOOD IN THE FACE have earned cult followings In the past 25 years Ridgeway's final warning that the fringe was becoming part of the fabric of American politics and culture have come to chilling fruition in the rise of the Tea Party the racist backlash against the presidency of Barack Obama the resurgence of anti-immigrant Nativism the growth of racist far right media and the election of Donald Trump with the thunderous support of white nationalists

The End of White Christian America Robert P. Jones, 2017-07-04 The founder and CEO of Public Religion Research Institute PRRI and columnist for the Atlantic describes how white Protestant Christians have declined in influence and power since the 1990s and explores the effect this has had on America *Rebellion in America* Anthony DiMaggio, 2020-02-21 In a time of rising inequality and plutocratic government citizens' movements are emerging with growing frequency to offer populist challenges to the declining living standards of masses of Americans and to protest the conditions through which individuals suffer in poor communities across the country This book looks at the progression of modern social uprisings in the post 2008 period including the Tea Party Occupy Wall Street Black Lives Matter the Bernie Sanders Revolution Trump's populism the anti-Trump revolt and MeToo A key theme is that populism and mass anger at the

political economic status quo take different forms depending on whether the protests are progressive left or right wing in orientation Employing theories of elite politics and pluralism and using a mixed methods approach Anthony DiMaggio harnesses his rich experience with movement politics and his engagement with a wide range of media and public opinion data to explain where we are today and how we got here always with an eye on moving ahead Aimed at courses on social movements wherever they re taught this book also offers general readers insight into contemporary politics and protest

Old Times Harold Pinter,1973 A middle aged couple entertain a friend they have not seen for two decades in Pinter s play first presented in London s West End in June 1971 **The Brainwashing of My Dad** Jen Senko,2021-10-05 After her beloved dad got addicted to right wing talk radio and Fox News Jen Senko feared he would never be the same again Frank Senko had always known how to have a good time Despite growing up in a poverty stricken family during the Depression and having to fight his way to middle class status as an adult he tended to look on the bright side But after a job change forced Frank to begin a long car commute every day his daughter Jen noticed changes in his personality and beliefs Long hours on the road listening to talk radio commentators like Rush Limbaugh sucked her father into a suspicion laden worldview dominated by conspiracy theories fake news and rants about the coastal elite and libtards trying to destroy America Over the course of a few years Jen s dad went from a nonpolitical open minded Democrat to a radical angry and intolerant right wing devotee who became a stranger to those closest to him As politics began to take precedence over everything else in her father s life Jen was mystified What happened to her dad Was there anything she could do to help And most importantly would he ever be his lovable self again Jen began the search for answers and found them as well stories from countless other families like her own Based on the award winning documentary *The Brainwashing of My Dad* uncovers the alarming right wing strategy to wield the media as a weapon against our very democracy Jen s story shows us how Fox News and other ultra conservative media outlets are reshaping the way millions of Americans view the world and encourages us to fight back

Betrayal Harold Pinter,2014-01-07 One of the most essential artists produced by the twentieth century Pinter s work gets under our skin more than that of any living playwright New York Times Upon its premiere at the National Theatre *Betrayal* was immediately recognized as a masterpiece It won the Olivier Award for best new play and has since been performed all around the world and made into an Academy Award nominated film starring Jeremy Irons Ben Kingsley and Patricia Hodge *Betrayal* begins with a meeting between adulterous lovers Emma and Jerry two years after their affair has ended During the nine scenes of the play we move back in time through the stages of their affair ending in the house of Emma and her husband Robert Jerry s best friend *Betrayal* deals with the shifting balance of power in triangular relationships and with the pain of loss Pinter probes the corrosive nature of betrayal a world where pain and loss are explored with poetic precision Guardian *Betrayal* is an exquisite play brilliantly simple in form and courageous in its search for a poetry that turns banality into a melancholy beauty Newsweek There is hardly a line into which desire pain alarm

sorrow rage or some kind of blend of feelings has not been compressed like volatile gas in a cylinder less stable than it looks
The play's subject is not sex not even adultery but the politics of betrayal and the damage it inflicts on all involved Times UK

The Machine Lee Fang, 2013 The Machine sheds light on all the dark corners of the resurgent right laying out its modus operandi in short accessible chapters Complete Works, Volume III Harold Pinter, 2014-12-23 Collects some of the author's most famous writings including plays short stories and essays **No Man's Land** Harold Pinter, 2013-12-19 An oblique comedy of menace unsettling exquisitely wrought and written a complex excursion into the by now familiar Pinter world of mixed reality and fantasy of human worth and human degradation New York Times Set against the decayed elegance of a house in London's Hampstead Heath in No Man's Land two men face each other over a drink Do they know each other or is each performing an elaborate character of recognition Their ambiguity and the comedy intensify with the arrival of two younger men the one ostensibly a manservant the other a male secretary All four inhabit a no man's land between time present and time remembered between reality and imagination a territory which Pinter explores with his characteristic mixture of biting wit aggression and anarchic sexuality
