Teach Yourself Eastern Philosophy:

Eastern Philosophy: Teach Yourself Mel Thompson, 2012-06-29 Teach Yourself Eastern Philosophy examines key ideas that developed within the ancient civilisations of India and China. It presents a range of philosophies that both inform discussion of personal moral and social issues and address the fundamental questions about the nature of reality and the place and purpose of human life within it. From the erotic images of Tantra to the simple precision of Zen and from the social order in traditional Confucian teaching to the rich variety of Hindu ideas and lifestyles, Teach Yourself Eastern Philosophy provides a feast of ideas of universal relevance. Teach Yourself Eastern Philosophy looks at the ethical and social implications of Eastern philosophy. Gives key terms in their original language with full explanations. Points to parallels with Western thought where appropriate. Provides essential background information for appreciating the religions of India and the Far East.

Eastern Philosophy Mel Thompson, 1999 From the exotic images of sexual Tantra to the simple precision of Zen from the moral precepts of Confucianism to the rich array of Hindu ideas and lifestyles, Eastern philosophy provides a feast of ideas of universal relevance. Teach Yourself Eastern Philosophy examines those ideas as they developed within the ancient civilizations of Asia. It examines the ethical and social implications of each and points to parallels with Western thought where appropriate.

Philosophers Behaving Badly Nigel Rodgers, Mel Thompson, 2004-12-01 An engaging and often hilarious survey of the far from fusty extra-curricular activities of some of philosophy's finest practitioners. *Philosophers Behaving Badly* examines the lives of eight great philosophers: Rousseau whose views on education and the social order seem curiously at odds with his own outrageous life; Schopenhauer and Nietzsche two giants of the 19th century whose words seem ever more relevant today; and five immensely influential philosophers of the

20th century Russell Wittgenstein Heidegger Sartre and Foucault Into the Cool Eric D. Schneider, Dorion Sagan, 2005-06
The authors look to the laws of thermodynamics for answers to the questions of evolution ecology economics and even life's origin *The Philosophers Beach Book* Mel Thompson, 2012-07-06 The Philosopher's Beach Book invites you to relax and think to wiggle your toes in the sand literally or metaphorically and reflect on the meaning of life Have you ever stretched out on a holiday beach or taken a relaxed stroll in the evening musing on your life back home your family your work your values and wondered if it all makes sense This book invites you to ask questions to explore the assumptions of everyday life to challenge your own values You may go on holiday to see something new but it also offers you a new perspective on the familiar From the distance of your literal or metaphorical beach now is the chance to give life a gentle intellectual prod

Philosophy Mel Thompson, 2000-12-08 Here is an accessible yet comprehensive review of the people and ideas that have shaped cultures through the centuries Author Mel Thompson identifies philosophers and their followers with schools of thought and examines their contributions to and influences on society *God: A Beginner's Guide Ebook Epub* Caroline Ogden, 2012-07-27 This beginner's guide provides readers with the information they need to make informed decisions about frequently asked questions surrounding the existence of God such as who is God and what do we mean when we say God Key themes and ideas are presented clearly in jargon free language China's Pathways to Prosperity Jun Fu, 2025-03-01

Shifting gears between the most abstract invisible and the most concrete visible world this book contains one unifying theoretical construct and six milestone stories to shed light on China's pathways towards building a moderately prosperous society since 1949 Today China's GDP per capita is about US 12 000 it was only about US 150 in the late 1970s that is before the reform era That is a very dramatic increase lifting over 700 million people out of poverty in the process What is unique about this book is that the six stories when read together systematically unfold a simple coherent logic as well as a rich history of economic development in the complex institutional setting of politics economics and sociology that is uniquely Chinese A key educational feature of the book is for the reader to learn and appreciate both the universals or global vision and the particulars or local knowledge of these stories so as to gain a deeper understanding of China's development trajectory in a global setting in the past several decades In other words for China's growth strategies to work theories must be contextualized dynamically by local conditions This book will be appreciated by students and educators alike
