Education for people and the planet: Creating sustainable futures for all UNESCO,2016-09-12 This edition of the Global Education Monitoring Report GEM Report is the first in a series that will assess the progress of education under the new Sustainable Development Goals SDGs

Overcoming Current Challenges in the P-12 Teaching Profession Keough, Penelope D.,2019-11-29 Teachers are constantly faced with a plethora of challenges but none has been more prevalent in the 21st century than educating a diverse collection of students In the midst of the current challenges in teaching P 12 students pre service teachers may be under district contract but may not be prepared for teaching students with disabilities the homeless second language learners recently immigrated to the United States or students who face emotional challenges or addiction Overcoming Current Challenges in the P 12 Teaching Profession is an essential reference book that provides insight strategies and solutions to overcome current challenges experienced by P 12 teachers in general and special education Featuring coverage on a broad

range of topics such as global education professional development and responsive teaching this book is ideally designed for educators administrators school psychologists counselors academicians researchers and students seeking current research on culturally responsive teaching *Teacher Professionalism During the Pandemic* Christopher Day, Helen Victoria Smith, Ruth Graham, Despoina Athanasiadou, 2023-11-09 This insightful book uniquely charts the events experiences and challenges faced by teachers during and beyond the COVID 19 pandemic including periods of national lockdowns and school closures Research based and evidence informed this key title explores the multiple media outputs created by teachers in a variety of different socio economic contexts The authors reflect on their stories through a series of themed analyses as well as describing and discussing key issues related to the enactment of teacher professionalism in challenging times With fascinating vignettes and interview extracts that reinforce the idea that teachers can manage rather than survive this book unveils a strong sense of moral purpose professional identity commitment care and resilience It will be of interest to teachers head teachers and teacher educators internationally

New Perspectives in Educational Leadership Sonya Douglass Horsford, 2010 *New Perspectives in Educational Leadership* examines educational administration and leadership within the complex social political and community contexts that inform and influence the work of today's educational leaders With particular attention to the implications and larger contexts of shifting demographics high stakes accountability and globalization on schools and society in the twenty first century this volume seeks to advance lines of inquiry presented in other areas of education research that have yet to be fully explored or imagined in the field of educational leadership This unique blend of empirical theoretical and conceptual research by both established and emerging scholars in the field directly acknowledges and addresses the demands of leading increasingly diverse and complex school communities Topics include the social and cultural dynamics of leadership reflective practice politics of equity and adequacy critical servant leadership and the possibilities of transformative leadership within these dynamic educational contexts As a primary or supplementary text in educational administration leadership and foundations courses *New Perspectives in Educational Leadership* provides a much needed complement to the traditional topics of instructional leadership and education management given the expanding and increasingly complex conditions that face educational administrators and school leaders today

Promising Practices in Indigenous Teacher Education Paul Whitinui, Carmen Rodriguez de France, Onowa McIvor, 2017-10-28 This book provides a comprehensive overview of navigating the on going systemic challenges hardships and problems facing many indigenous teacher education programs today helping to foster a commitment to developing quality indigenous teacher education programs that are sustainable distinctive and excellent However despite a growing cadre of indigenous peoples working in teacher education there is still a noticeable gap between the uptake of what is being taught in conventional teacher education programs and how this translates to what we see student teachers doing in the classroom The often tricky and complex nature of indigenous teacher education programming also means that there are multiple realities approaches

and pathways that require greater communication collaboration and cooperation The very nature of this complexity the book suggests requires a strength based and future focused approach built on trust integrity courage and respect for indigeneity as well as an understanding of what it means to be indigenous The examples and experiences presented identify a number of promising practices that work well in current indigenous teacher education programs and beyond By promoting a greater appreciation for the inclusion of culturally relevant practices in teacher education the book aims to breathe new life into the hopes dreams and aspirations of indigenous teacher education programs moving forward

International Perspectives on Intercultural Education Kenneth Cushner, 2013-04-03 International Perspectives on Intercultural Education offers a comprehensive analysis of intercultural education activity as it is practiced in the countries of Australia New Zealand Malaysia the Netherlands Romania Spain England South Africa Ghana Nigeria the United States Canada and Mexico Chapters by key scholars and practitioners from these nations inform the reader of current educational practice related to diversity Each author responding to a common series of guiding questions presents a brief description of the national educational system in her or his country descriptive data on demographics in these countries including data on various subgroups and subcultures and their experiences with the mainstream educational system a discussion of the perceived obstacles to addressing intercultural issues in schools and solutions to overcoming these obstacles and a comprehensive analysis of intercultural information on how teacher preparation institutions address intercultural education at the present time An overall concern of each chapter author is how intercultural approaches can be employed to solve the difficulties faced by both individuals and schools while maintaining the cultural integrity of the child
