Teaching A Chicken To Swim:

Understanding Teaching and Learning T. Brian Mooney, 2011-12-07 Generous selections from these four seminal texts on the theory and practice of education have never before appeared together in a single volume The Introductions that precede the texts provide brief biographical sketches of each author situating him within his broader historical cultural and intellectual context The editors also provide a brief outline of key themes that emerge within the selection as a helpful guide to the reader The final chapter engages the reflections of the classic authors with contemporary issues and challenges in the philosophy and practice of education *Just Who Am I Training Anyway* Dave Slater, 2012-01-05 A rancher who raised five children becomes a wilderness guide for troubled youth He notices effective lessons that can be taken from the training of horses He offers horse training tips and applies 101 common sense lessons to help all teachers and parents assess their teaching motives and improve their teaching styles This self help book gives tools of what and when to affect lives It inspires all readers to go back to the Basics of learning and behavioral modification where they might become master trainers to help all even the most resistant want to improve **The Canadian Teacher ...** Gideon E.
