The Emerald Of Faith:

The Faith, 1912 *The Price of Faith* Rob J. Hayes, 2018-11-12 Not everyone has a destiny Separated and miserable Thanquil Darkheart and Jezzett Vel urn both have their reasons for wanting to leave the Dragon Empire Jezzett flees from the wrathful fury of an Empress scorned while accompanied by the ever insidious Drake Morrass and Thanquil sets out to find and judge his one heretical loose end *The Faith of Legacy* Brandon Begley, 2006-04-28 EPIC FANTASY WITH A HEART Savitar has learned that he is gifted in magic but more than that he may be the one prophesized as the Fireheart a magically gifted warrior destined to rid the world of an ultimate evil With this revelation a legacy is presented to Savitar a legacy of ancient warriors and powerful wielders of magic From this venerable line he is supposedly descended and must continue to preserve their glory but it is only through faith that Savitar can maintain this obligation Unfortunately it is a faith that Savitar is not so sure of Soon despite his doubts men and demigods both good and evil are vying for his allegiance or his destruction their great plans hinging on whether the Fireheart exists or not Savitar is forced to face great peril and embark on a quest for the knowledge of magic and to find himself Will he hold to the faith of legacy or will he find another way Contains 40 pages of appendices and a newly added detailed map of the kingdom of Caidissium *Faith , The Country Faith* Frederick F. Shannon, 1922 *For the Faith* Evelyn Everett-Green, 2023-08-12 For the Faith by Evelyn Everett Green Published by Good Press Good Press publishes a wide range of titles that encompasses every genre From well known classics literary fiction and non fiction to forgotten or yet undiscovered gems of world literature we issue the books that need to be read Each Good Press edition has been meticulously edited and formatted to boost readability for all e readers and devices Our goal is to produce eBooks that are user friendly and accessible to everyone in a high quality digital format **Faith, Hope, and Love in the Kingdom of God** Robert Hernan Cubillos, 2017-04-27 We live in a world full of challenges The three graces can almost be seen as motors for Christian life in today s world but the words faith hope and love have so many everyday uses that their technical theological meanings are for many difficult to appreciate Modern life also leaves many yearning for authenticity and meaning Many religions have answered that need by calling to mind the image of a path Always profound progressions religious paths tend to be motivated either by practices the act of walking the path or focal points Christianity has a focal point an object and it sees the three graces as distinctively content filled The heart of this book is about helping people find the Christian path and their intellectual emotional and spiritual balance an equilibrium that is sustained by a strong personal faith an enduring hope for the future and genuine love that will withstand the worst of times It contributes to the category of Christian literature that provides a pattern for Christian living without surrendering the intellect to the more popular side of this genre **The Unity of Faith** Weinandy Ofm Cap Thomas G, 2024-07 In this volume The Unity of Faith Thomas G Weinandy OFM Cap has compiled a theologically significant medley of essays The first section deals with the Trinity ranging from the question of the filioque to the trinitarian thought of Johnathan Edwards The second

section addresses a topic for which Weinandy has become notable the impassability of God and human suffering The third takes of the topic of Christology particularly from within the contemporary theological milieu For example what is the relationship between the Incarnation and Soteriology What is the nature of Christ's human consciousness and knowledge How does Paul perceive the primacy of Christ within his Christological hymns The next collection of essays focuses on the relationship between faith and reason In doing Catholic theology how do theologians apply reason when contemplating the mysteries of faith What is the philosophical and theological significance of Pope John Paul II's encyclical *Fides et Ratio* Ecclesiology is the final topic addressed Weinandy examines the contributions that Henri de Lubac has contributed to our understanding of the Church He also takes up the very delicate issue of the Jews in relationship to the Church How important is it that Jews become Christians The nature of the sacramentality of the Catholic priesthood is investigated What does it mean that the priest acts in persona Christi Lastly Weinandy broaches a topic that has received very little theological attention the Christian family as a Domestic Church In what manner are spouses and parents in imitation of Christ priests prophets and kings Weinandy invariably writes in a clear and engaging manner so much so that these essays would benefit not only academics and students of theology but also the educated laity **Faith and the Good Thing** Charles

Johnson,2001-07-12 Faith Cross a beautiful and purely innocent young black woman is told by her dying mother to go and get herself a good thing Thus begins an extraordinary pilgrim's progress that takes Faith from the magic and mysticism of the rural South to the promises and perils of modern day Chicago It is an odyssey that propels Faith from the degradation of prostitution drugs and drink into a faceless middle class reality and finally into a searing tragedy that ironically leads to the discovery of the real Good Thing National Book Award winner Charles Johnson's first novel originally published in 1974 puts the life affirming soul of the African American experience at the summit of American storytelling *Faith-Based War* T.

Walter Herbert,2014-12-05 The American invasion of Iraq was largely governed by faith based policy The shock and Awe strategy alongside a grossly mismanaged occupation led to the loss of American lives Faith Based War presents an analysis of the imperialist Christian militarism behind the Bush Administration America's self perception as God's Chosen is examined and its catastrophic results detailed The book offers an ethical political and theological perspective on the perversion of Christian teaching behind the war in Iraq and the moral culpability of the American empire
