

the enduring quest for meaning

The background of the entire slide is a photograph of a cave wall covered in ancient paintings. The most prominent feature is a large bison-like animal, possibly a mammoth or bison, with a human figure painted inside its body. The human figure appears to be in a dynamic pose, perhaps dancing or running. Other smaller animal paintings are visible in the background. In the lower right foreground, a person is silhouetted against the light from the cave opening, holding a clipboard and looking at the paintings. The overall atmosphere is one of mystery and discovery.
