A Guide to Films Featured in the Jewish Film Festival Deborah Kaufman, Janis Plotkin, Rena Orenstein, 1991

The Columbia Companion to American History on Film Peter C. Rollins, 2004-03-24 American history has always been an irresistible source of inspiration for filmmakers and today for good or ill most Americans sense of the past likely comes more from Hollywood than from the works of historians In important films such as *The Birth of a Nation* 1915 *Roots* 1977 *Apocalypse Now* 1979 and *Saving Private Ryan* 1998 how much is entertainment and how much is rooted in historical fact In *The Columbia Companion to American History on Film* more than seventy scholars consider the gap between history and

Hollywood They examine how filmmakers have presented and interpreted the most important events topics eras and figures in the American past often comparing the film versions of events with the interpretations of the best historians who have explored the topic Divided into eight broad categories Eras Wars and Other Major Events Notable People Groups Institutions and Movements Places Themes and Topics and Myths and Heroes the volume features extensive cross references a filmography of discussed and relevant films notes and a bibliography of selected historical works on each subject The Columbia Companion to American History on Film is also an important resource for teachers with extensive information for research or for course development appropriate for both high school and college students Though each essay reflects the unique body of film and print works covering the subject at hand every essay addresses several fundamental questions What are the key films on this topic What sources did the filmmaker use and how did the film deviate or remain true to its sources How have film interpretations of a particular historical topic changed and what sorts of factors technological social political historiographical have affected their evolution Have filmmakers altered the historical record with a view to enhancing drama or to enhance the truth of their putative message

Welcome to the Club Moshe Sonnheim,2004 If you are a grandparent or will soon be one this book will become both a guide and a tool to understanding your role and implementing your grandparenthood **AIVF Guide to International Film & Video Festivals** Kathryn Bowser,1996 [Nostalgia in Jewish-American Theatre and Film, 1979-2004](#) Ben Furnish,2005

Nostalgia a bittersweet yearning for the past is an important element in Jewish American performances of the late twentieth century Numerous plays and films of this time use nostalgia to engage Jewish including Yiddish cultural themes and images Nostalgia offers audiences a window through which to examine past and current social changes These include American Jews departure from Europe to America the city for the suburbs Yiddish for English as well as the civil rights women s peace and gay and lesbian movements and other transformations These performances illustrate how theatre and film transmit culture from generation to generation and between one ethnic community and the wider American scene **Christianity and Rabbinic Judaism** Jonas E.

Alexis,2011-12 The simple step of a courageous individual is not to take part in the lie One word of truth outweighs the world Alexander Solzhenitsyn In this penetrating and provocative work Jonas E Alexis challenges common assumptions about the relationship between Christianity and Rabbinic Judaism and provides compelling evidence from history and theology that demonstrates the extent to which modern Judaism has been defined by the Pharisaic and Rabbinic schools of thought As Alexis meticulously documents there has been a constant struggle between Christianity and Rabbinic Judaism since the time of Christ a struggle that will define the destiny of the West Islam according to Christianity is a historically and theologically false religion since it denies both Jesus s deity and His work of salvation at the Cross But Rabbinic Judaism Alexis argues is equally false and in many respects more dangerous to Christianity and the West than Islam since at its root Rabbinic Judaism wages war against the Logos the system of order in the world embodied by Christ In this painstakingly scholarly yet readable

work Alexis maintains that Rabbinic Judaism defined by the Pharisaic teachings now codified in the Talmud that Jesus sought to correct is a categorical and metaphysical rejection of Christianity a rejection that has had and will continue to have severe implications for Western culture intellectual history and theological exegesis Neil Simon on Screen Peter

Studies programs include courses on the Holocaust but suitable course materials are often difficult to find Teachers in higher education will therefore very much welcome this volume that examines and reflects both the practical and theoretical aspects of teaching about the Holocaust Though designed primarily by and for North American Germanists and German Studies specialists this book will prove no less useful for teachers in other countries and associated disciplines It presents and describes successful Holocaust related courses that have been developed and taught at U S and Canadian colleges and

universities demonstrating the depth breadth and variety of such offerings while remaining mindful of the instructor's special moral responsibilities. Reflecting as it does the innovative Holocaust pedagogy in North American German and German Studies, this collection serves the needs of educators who wish to revise or update their existing Holocaust courses and of those who are seeking guidance, ideas and resources to enable them to develop their first Holocaust course or unit.

Teaching and Studying the Holocaust Samuel Totten, Stephen Feinberg, 2009-11-01

Originally Published in 2000 by Allyn Ida E King. Distinguished Visitor Professor of Holocaust Studies, Richard Stockton College and Former Director of Research at the United States Holocaust Memorial Museum. There are many scholars who are wont to criticize the teaching of the Holocaust. Many journalists critique what they regard as kitsch or trendiness. All critics of contemporary Holocaust education would do well to read this book. One cannot fail to be impressed by the quality of its learning and the seriousness of its purpose. It is a wonderful place for teachers to turn as they contemplate teaching the Holocaust: an open invitation to learn more and teach more effectively.

Barry van Driel, Coordinator International Teacher Education, Anne Frank House, Amsterdam. Teaching and Studying the Holocaust is an invaluable resource for any teacher wanting to address the complex and sometimes overwhelming history of the Holocaust in the classroom. The book offers a multitude of sensitive and responsible ways of dealing with the issue of the Holocaust. It succeeds in showing teachers very clearly how the study of the Holocaust is not just a topic for history teachers but for teachers across the curriculum.

Dr. Nili Keren Kibbutzim, College of Education, Tel Aviv, Israel. Teaching about the Shoah is one of the most complicated tasks for educators. Indeed, teaching and studying this history raises unprecedented questions concerning modern civilization and presents teachers and students with tremendous challenges. Samuel Totten and Stephen Feinberg have created a volume that provides educators with essential information and new insights regarding the teaching of this history and in doing so they assist educators to face the aforementioned challenges head on. Teaching and Studying the Holocaust does not make the task easier but it does make it possible.

Samuel Totten is currently professor of Curriculum and Instruction at the University of Arkansas Fayetteville. Prior to entering academia, he was an English and social studies teacher in Australia, Israel, California and at the U.S. House of

Representatives Page School in Washington D C Totten is also editor of Teaching Holocaust Literature published by Allyn Bacon Stephen Feinberg is currently the Special Assistant for Education Programs in the National Institute for Holocaust Education at the United States Holocaust Memorial Museum With Samuel Totten he was co editor of a special issue Teaching the Holocaust of Social Education the official journal of the National Council for the Social Studies For eighteen years he was a history and social studies teacher in the public schools of Wayland MA *Within Our Gates* Alan Gevinson,1997 These volumes are endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr
