## **The Here What Where:**

**Here Is Where** Andrew Carroll, 2013-05-14 *Here Is Where* chronicles Andrew Carroll's eye opening and at times hilarious journey across America to find and explore unmarked historic sites where extraordinary moments occurred and remarkable individuals once lived Sparking the idea for this book was Carroll's visit to the spot where Abraham Lincoln's son was saved by the brother of Lincoln's assassin Carroll wondered How many other unmarked places are there where intriguing events have unfolded and that we walk past every day not realizing their significance To answer that question Carroll ultimately trekked to every region of the country by car train plane helicopter bus bike and kayak and on foot Among the things he learned Where in North America the oldest sample of human DNA was discovered Where America's deadliest maritime disaster took place a calamity worse than the fate of the Titanic Which virtually unknown American scientist saved hundreds of millions of lives Which famous Prohibition agent was the brother of a notorious gangster How a 14 year old farm boy's brainstorm led to the creation of television Featured prominently in *Here Is Where* are an abundance of firsts from the first use of modern anesthesia to the first cremation to the first murder conviction based on forensic evidence outrages from riots to massacres to forced sterilizations and breakthroughs from the invention inside a prison of a revolutionary weapon to the recovery deep in the Alaskan tundra of a super virus to the building of the rocket that made possible space travel *Here Is Where* is thoroughly entertaining but it's also a profound reminder that the places we pass by often harbor amazing secrets and that there are countless other astonishing stories still out there waiting to be found Look for Andrew's new book *My Fellow Soldiers*

President,1992     **Where We Go from Here** Bernie Sanders,2018-11-27 The inspiring national bestseller from the U S Senator and leading Democratic candidate for president about the fierce fight for democracy and social justice and what we need to do next In *Where We Go from Here* New York Times bestselling author Bernie Sanders reveals the blueprint for his 2020 presidential run by chronicling the day by day struggles that he and his progressive colleagues have waged over the last two years in the fight against Donald Trump s reactionary agenda and for a government that works for all not just wealthy campaign contributors At home Sanders has helped lead the fight for Medicare for all fought for workers desperate for higher wages and supported immigrants in the DACA program and children affected by gun violence He has stood with the people of

Puerto Rico devastated by Hurricane Maria as well as veterans teachers the incarcerated the persecuted and all those who are too often ignored by Washington Abroad his voice has been clear that we need a foreign policy that strives for peace not war and international cooperation to address the crisis of climate change The good news is we re making progress People all across America are standing up to the most dishonest and reactionary president in our history They re taking on establishment politicians who ve turned a blind eye to the concerns of everyday citizens They re fighting back against the oligarchs of Wall Street who would happily see our children do worse than their parents so long as the Dow does better And the general public continually demonstrates that we are more united than the media would allow us to believe and what we agree on are largely progressive ideals Maintaining a vibrant democracy has never been easy and in these dangerous and unprecedented times it has been more difficult than ever Bernie Sanders shows however that we can repair the damage Trump has done and create a nation based on the principles of economic social racial and environmental justice
