Employing a blend of rigorous historical analysis and engaging narrative prose, Keightley explores the interplay between these societies and the broader socio-political milieu of the Middle Ages. His thorough research unveils the rituals, beliefs, and significant figures within these enigmatic groups while situating them within the wider tapestry of medieval thought, offering readers a glimpse into the complexity of human affiliations and the quest for power and knowledge. Keightley, an esteemed historian and folklorist, was deeply influenced by the intellectual currents of his time as well as his fascination with the intersection of history and myth. His background in folklore and his commitment to uncovering the hidden aspects of history likely fueled his desire to illuminate the secretive nature of these societies. By drawing on a rich array of primary sources, Keightley invites readers to engage with a past that is often shrouded in obscurity and speculation, challenging prevailing narratives and encouraging a reevaluation of historical assumptions. This book is an invaluable resource for those interested in medieval history, sociology, or the study of secret organizations. Keightley's thorough approach and insightful commentary render it essential reading for scholars and enthusiasts alike, as it not only elucidates the mysteries of the past but also contributes to our understanding of how such societies continue to influence contemporary thought and culture. **Occult Imperium** Christian Giudice, 2022 Christian Giudice's *Occult Imperium* explores Italian national forms of occultism, chiefly analyzing Arturo Reghini (1878-1946), his copious writings, and Roman Traditionalism. Using Reghini's articles, books, and letters as a guide, Giudice explores the interaction between Occultism, Traditionalism, and different facets of modernity in early twentieth-century Italy. The book takes into consideration many factors particular to the Italian peninsula, the ties with avant-garde movements such as the Florentine Scapigliatura and Futurism, the occult vogues typical to Italy, the rise to power of Benito Mussolini and Fascism, and lastly, the power of the Holy See over different expressions of spirituality. **A History of the English Church: Gairdner, J.
