The Lysenko Affair David Joravsky, 2010-12-15 The Lysenko affair was perhaps the most bizarre chapter in the history of modern science For thirty years until 1965 Soviet genetics was dominated by a fanatical agronomist who achieved dictatorial power over genetics and plant science as well as agronomy A standard source both for Soviet specialists and for sociologists of science American Journal of Sociology Joravsky has produced the most detailed and authoritative treatment of Lysenko and his view on genetics New York Times Book Review

Rethinking Socialist Space in the Twentieth Century Marcus Colla, Paul Betts, 2024-06-10 This edited collection explores the problem of space under socialist regimes in the twentieth century Bringing together contributions from international scholars with expertise in the architectural urban social and cultural history of twentieth century socialism the book includes examples from China Africa Mongolia Eastern Europe and the USSR The volume reflects on how developments in the field over the past two decades have altered our understanding of how such spaces were constructed both literally and discursively how they could become sites of contested meanings and how they were perceived outside the socialist world Moreover the volume is concerned with how scholarly approaches associated with post colonialism global history gender history and the temporal and sensory turns have reconfigured our knowledge of and approach to the history of socialist space Chapter 5 Global Bridges Local Ruins Re thinking Socialist Spaces Through the Experience of Non aligned Enterprises is available open access under a Creative Commons Attribution 4.0 International License via link [springer.com](https://www.springer.com)
