The Real Shelley John Cordy Jeaffreson,2018-09-20 Reproduction of the original *The Real Shelley* by John Cordy Jeaffreson *The Shelf List of the Union Theological Seminary Library in New York City* Union Theological Seminary (New York, N.Y.). Library,1960 **Fathers and Forefathers** Martin Robb ,2020-12-15 Research on fathers and fatherhood has blossomed in recent years focusing for the most part on present day fathering experiences but also beginning to uncover hidden narratives of past fatherhood This collection aims to add something new to this expanding field by exploring the dynamic relationship between present and past fatherhoods The popular understanding of fathers in past generations as being detached and uninvolved in the lives of their children can be said to play a significant part in the construction of modern fathering identities with ideas of new fatherhood being played off against notions of historical fathering practices However research has begun to show that these popular myths often misremember the past judging it by current standards and obscuring the diverse nature of fathering practices in the recent and distant past A genealogical approach is able to critically examine these intergenerational constructions of fatherhood and more positively illuminate the ways in which experiences of fathering and being fathered are passed on between generations The contributions to this collection use a genealogical approach broadly defined to fathering and fatherhood as a way of defamiliarizing accepted narratives and suggesting new ways of thinking about men and their relationships with their children **Blackwood's Magazine** ,1834

Blackwood's Edinburgh Magazine ,1834 *Tait's Edinburgh Magazine* William Tait,Christian Isobel Johnstone,1844 *The Ladies' Repository* ,1844 The idea of this women s magazine originated with Samuel Williams a Cincinnati Methodist who thought that Christian women needed a magazine less worldly than Godey s Lady s Book and Snowden s Lady s Companion Written largely by ministers this exceptionally well printed little magazine contained well written essays of a moral character plenty of poetry articles on historical and scientific matters and book reviews Among western writers were Alice Cary who contributed over a hundred sketches and poems her sister Phoebe Cary Otway Curry Moncure D Conway and Joshua R Giddings and New England contributors included Mrs Lydia Sigourney Hannah F Gould and Julia C R Dorr By 1851 each issue published a peice of music and two steel plates usually landscapes or portraits When Davis E Clark took over the editorship in 1853 the magazine became brighter and attained a circulation of 40 000 Unlike his predecessors Clark included fictional pieces and made the Repository a magazine for the whole family After the war it began to decline and in 1876 was

replaced by the National Repository The Ladies Repository was an excellent representative of the Methodist mind and heart Its essays sketches and poems its good steel engravings and its moral tone gave it a charm all its own Cf American periodicals 1741 1900 **Peterson's Magazine** ,1849 The Journal of Education for the Province of Quebec Pierre Joseph Oliver Chauveau, Henry Hopper Miles, Patrick Delaney, George W. Colfer, 1858 *The Ladies' Repository, and Gatherings of the West* ,1844 **Chamber's Cyclopaedia of English Literature** Robert Chambers, 1923 **The Belligerent Christ** Nicholas Carl Moore, 2012-05-31 Constantly changing and morphing into another organism our Savior materializes and dematerializes right in front of our very eyes as our human condition changes The names of God are limitless and their definitions outnumber the stars in the sky God s love for us is ruthless As I contemplate the transformation of Jesus from Spirit to Man back to Spirit it blows my mind what He could have been thinking when God tapped Him on the shoulder and said You know I have to send you into the earth for that worthless lot of heathens don t you And you also know that You are going to have to suffer the worst death in human history right And I know it s a hard thing to hear but it pleases Me that I am going to have to kill YOU so they can live Now take a peek into time from eternity so that You can see what this will look like I believe at that moment of revelation the spirit of the Belligerent Christ was created and this story is dedicated to those who HEAR and OBEY Him
