Tomes of Chaos were born each containing the laws of the universe Among them one was known as the Heavenly Tome of Fate the book that governs all bonds of love and destiny Millions of years ago one by one the God Emperors shattered the heavens and ascended toward the Upper Realm One hundred thousand years ago they realized that even at the pinnacle of divinity the path ahead had not ended There was still a higher realm immortal and eternal singularity To reach this final step the God Emperors made a fateful decision They cast the Heavenly Tome of Fate down into the mortal world hoping it would find a destined one a man fated to be the Dao Companion of all God Emperors with whom they could hold a celestial wedding and complete the great Dao paving the way to true immortality Now 100 000 years later a young man lies on the brink of death poisoned by the very woman he loves But in that moment of despair the Heavenly Tome of Fate within him awakens and with it the ancient God Emperors begin to stir A voice echoes through the void Who dares to hurt our husband **The Nation** ,1914 **St. Nicholas** ,1907 **Public Opinion** ,1890
