

the MANAS Reader

MANAS is a journal of independent inquiry, concerned with study of the principles which move world society on its present course, and with search for contrasting principles—that may be capable of supporting intelligent idealism under the conditions of life in the twentieth century. MANAS is concerned, therefore, with philosophy and with practical psychology, in as direct and simple a manner as its editors and contributors can write. The word "manas" comes from a common root suggesting "man" or "the thinker." Editorial articles are unsigned, since MANAS wishes to present ideas and viewpoints, not personalities.

The Manas Reader

**Henry Morton Bullock, Edward C.
Peterson**

The Manas Reader:

The Manas Reader Manas Editors, Manas, 1971 MANAS is a journal of independent inquiry concerned with study of the principles which move world society on its present course and with search for contrasting principles that may be capable of supporting intelligent idealism under the conditions of life in the twentieth century Reading Beyond the Lines: A Treatise on Consciousness, Energy, Spirituality and Healing Liyla S, 2022-06-08 On an unsuspecting Friday night Liyla lost her son to an accident Lost and disillusioned all she wanted was a chance to speak to her son again tell him she loved him and missed him But death is the end isn't it In a mind bending journey through the many planes we humans exist in Liyla's life changes as she encounters people who help reach across the veil of life and connect her to her son This event opens a door in her life through which she discovers the meaning of life and beyond Her studies ranging from contemporary Western sciences to ancient Indian wisdom lead her to understanding what it means to live and our purpose on this planet along with a clear realization that the universe is just energy This book will take you on a journey that answers many questions that have plagued humanity What exactly is the mind What is Consciousness What is destiny And the biggest one of all What happens after our physical forms pass from this life Liyla looks at these questions with a scientific lens hoping to bridge the gaps between science and spirituality for each one of us looks for answers for these same questions within this cosmos In this book the spiritual aspects of life are explained with reference to the Panchakosha five layer theory of Indian spirituality which is elucidated in the Upanishads and other ancient Indian books This gives a strong logical basis to understand Consciousness and life in the physical and subtle planes Verbal Ability And Reading Comprehension For The Cat And Other Mba Entrance Examinations (With Cd) Time, 2010-09 *The Life of a Text* Philip Lutgendorf, 1991 The range of Manas performance traditions captured here is immense What is wonderful and remarkable is that each is presented vividly with careful ethnographic detail so that they become living traditions to the reader Susan Wadley Syracuse University

Reading Sri Aurobindo Bindu Puri, 2022-08-30 This book presents contemporary perspectives of scholars working on different aspects of the philosophy of Sri Aurobindo the idea of evolution integral yoga the transformation of the individual society and earth theories of nation and human unity philosophy of emotions and ethics of the environment Contributors examine Sri Aurobindo's philosophy its close conceptual relationship to classical Indian philosophy and its relevance It sheds light on how his philosophy deals with the twenty first century's fundamental problems and offers possible solutions The book brings out the modern debate in Western philosophy involving thinkers like Michel Foucault Jacques Derrida and Gilles Deleuze and their predecessors such as Martin Heidegger and Friedrich Nietzsche This book is an exercise in comparative Philosophy one that unpacks the mind of Sri Aurobindo in the context of Indian European and Anglo American philosophical discourse It is of great relevance for a new generation of students scholars of Indian philosophy politics religious studies and those interested in knowing the thought and practice of the twentieth century Indian thinker and yogi Sri Aurobindo An

Spirited Performance Nienke van der Heide, 2015-06-17 In the heart of Asia straddling the western Tien Shan mountain range lies the former Soviet republic Kyrgyzstan The country prides itself in an age old oral epic tradition that recounts the mighty deeds of the hero Manas When explorers first encountered Manas performers in the late nineteenth century they hailed their art as a true representation of the heroic age and compared it to masterpieces such as the Kalevala and the Iliad Today there are still many excellent performers who can keep their audiences spellbound They are believed to draw their inspiration from the spirit of Manas himself This book portrays the meaning of this huge work of art in Kyrgyz society Based on extended periods of anthropological fieldwork between 1996 and 2000 it explores the calling of its performers describes the transformations of the oral tradition in printed media and other forms of art and examines its use as a key symbol for identity politics It deals extensively with the impact of the Soviet period during which Kyrgyzstan became an autonomous republic for the first time in history The tremendous changes initiated during these years had far reaching consequences for the transmission and reception of the Manas epic The specific Soviet approach to ethnicity was also elementary in the decisions to assign the Manas epic the role of national symbol after 1991 when Kyrgyzstan was thrown into the turmoil of a post socialist existence

Young Reader's Bible Henry Morton Bullock, Edward C. Peterson, 1978
