The Mark Of Cain:

The Drawing of the Mark of Cain Dik Van Arkel, 2009 These are big questions and in *The Drawing of the Mark of Cain* they are addressed head on The author has devoted his entire career as a distinguished social historian to resolving these and similar problems He has sought his answers through a highly original consistently analytical process of historical conjecture and refutation

The Mark of Cain Ruth W. Mellinkoff, 2003-04-29 For few verses in the Bible is the relationship between scripture and the artistic imagination more intriguing than for the conclusion of Genesis 4 15 And the Lord set a mark upon Cain that whosoever found him should not kill him What was the mark of Cain The answers set before us in this sensitive study by art historian Ruth Mellinkoff are sometimes poignant frequently surprising An early summary of rabbinic answers for examples runs as follows R Judah said He caused the orb of the sun to shine on his account Said R Nehemiah to him For that wretch He would cause the orb of the sun to shine Rather he caused leprosy to break out on him Rab said He gave him a dog Abba Jose said He made a horn grow out of him Rab said He made him an example to murderers R Hanin said He made him an example to penitents R Levi said in the name of R Simeon b Lakish He suspended judgment until the flood came and swept him away After a review of such early Jewish and Christian exegesis Mellinkoff divides physical interpretations on the mark into three groups A Mark on Cain s Body A Movement of Cain s Body and A Blemish Associated with Cain s Body Her discussion of these groups is the heart of her study and offers its richest examples of interplay among medieval art and imaginative literature on the one hand and biblical exegesis on the other Thus in one remarkable tour de force she shows us how a poetic misprision of Genesis 4 24 Sevenfold vengeance will be taken for Cain but for Lamech seventy times sevenfold made Lamech the murderer of Cain how there then grew up the legend that Lamech a hunter had killed Cain when he mistook him for an animal how from that the notion that the mark of Cain was a horn or horns on Cain s head arose in the poignant formulation of the Tanhuma Midrash Oh father you have killed something that resembles a man except it has a horn on its forehead and how from that in the maturity of the legend there flowered Cornish drama Irish saga and stunning reliefs of a dying antlered Cain in the cathedrals of Vézelay and Autun Like Genesis 4 15 itself *The Mark of Cain* is suggestive rather than comprehensive Concluding chapters on Intentionally Distorted Interpretations of Cain s Mark and Cain s Mark and the Jews bring the history down to our own day but Mellinkoff does not claim to have said the last word on the subject Her achievement is neither documentary nor exegetical but rather demonstrative she shows us with brilliant economy how the artistic imagination functioned in a world whose intellectual definition was a closed canonical text

The Mark of Theory Andrea Bachner, 2017-11-28 What imaginaries tropes and media have shaped how we theorize *The Mark of Theory* argues that inscription constitutes one of the master metaphors of contemporary theory As a trope that draws on a wide array of practices of marking from tattooing to circumcision from photographic imprints and phonographic grooves to marks on a page inscription provides an imaginary that orients and irritates theoretical thought Tracing

inscriptive imaginaries from the late nineteenth century to today The Mark of Theory offers a wide ranging conceptual genealogy of contemporary thought Navigating poststructuralism s attention to figurative language as well as media theory s attention to objects phenomena and practices of mediation the book works through core questions for how we theorize Across a range of disciplines and scholarly conversations from literature and media to anthropology race and gender art psychoanalysis sound and ultimately ethics sites of inscription come to constitute the past legacy of a thought to come a prehistory of our current moment In focusing on materiality and mediation The Mark of Theory shows how inscriptive practices shape conceptual thought as well as political and ethical choices By contextualizing the fraught relationship between materiality and signification The Mark of Theory lays the ground for a politics of theory that begins there where theory and politics are no longer conflated **The Mark of Cain** Andrew Lang,1886 A mystery is solved by folklore and esoteric knowledge of tattooing **The Mark of the Beast** Debra Hassig,Debra Higgs Strickland,1999 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company The Mark of Cain Carolyn Wells,1920
