

Nonaligned Movement

- *“The preservation of peace forms the central aim of India’s policy. It is in the pursuit of this policy that we have chosen the path of nonalignment in any military or like pact of alliance. Nonalignment does not mean passivity of mind or action, lack of faith or conviction. It does not mean submission to what we consider evil. We believe that each country has not only the right to freedom but also to decide its own policy and way of life. Only thus can true freedom flourish and a people grow according to their own genius.”*
