The Magic Is In You Carole Laplante, 2012-05-02. How does one use a magic wand anyway? Do you know how the magic wand came into being? This book intends to answer those questions and inspire the young reader's imagination. Wonder at the beautifully illustrated pictures, enjoy the story, and make your magic happen. **Where's the Magic Wand?** Lynda Louise Mangoro, 2011-10. As well as being a memorable and whimsical rhyming story rich with vibrant illustrations, this tale conveys an important and powerful message that we all create our realities and shape our lives through our thoughts and beliefs. Many grown-ups have discovered the truth of this and are beginning to apply it consciously to their own lives, but why not sow the seed of this knowledge at a young age and enable our children to grow up with permission to create the lives they deserve and the understanding that they can achieve anything they put their minds to. *The Magic Wand* Tudor Jenks, 2012-08-01. Unlike some other reproductions of classic texts: 1. We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. 2. In books where there are images such as portraits, maps, sketches, etc. We have endeavored to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy. **Sammy and the Magical Wand** Mindy Zaidman, 2021-03-19. Sammy and the Magical Wand is a delightful story of how a little girl's discovery of a magic wand initially makes her dreams come true. The moral: being careful what you wish for combines a classic story with a meaningful message: even our greatest fantasies aren't as wonderful without anyone to share them with. The value of family love and support means more than material objects. Filled with rich illustrations, this book is perfect for every child who dares to dream.
