T.,1995 **The Sponsorship Guide** Robbie Walker,2016-07-25 The Sponsorship Guide has been created for sponsors in all 12 step programs It has been designed as a working tool for a sponsor to utilize with their newcomers It is laid out in a simple concise and thorough manner Its main object is to help a sponsor build a working relationship with the newcomer by taking them through the twelve steps of recovery It s author is a well known member of the recovery community who speaks at conventions leads men s and women s spiritual retreats takes rehabilitation clients and sober house clients through the 12 steps and is well respected amongst his peers Robbie felt as though a twelve step guide such as this was dearly needed in the recovery community So Robbie while on the road in Hotel Rooms and on flights to and from his speaking engagements created this remarkable and simple book to help others Originally he had only planned to utilize it in his retreats until a Nun at one of his retreats TOLD HIM to author a book He knew he needed to listen to her Robbie had noticed during his recovery that many members of twelve step fellowships utilized certain tools of recovery such as sponsorship meetings and fellowship However many fell drastically short of participating in the actual intense and introspective taking of their twelve steps with an informed sponsor who has been through the process That is exactly why he created this book Robbie realized over the last three decades of his personal recovery journey the absolute need for the person in recovery to find a program of action if they were to live a peaceful contented and successful life Group therapy while extremely helpful to many does not in his

experience hold enough depth and weight to sustain a bountiful and long term recovery for the sufferer Nothing short of continuous action on the twelve steps with the help of a sponsor has the ability to sustain a newcomer s attention Once we get their attention by wal

Finley, 2004-10-20. All the resources needed to fully integrate a 12 step approach as part of your overall treatment program. Millions of Americans have at some time in their lives participated in a 12 step program for treatment of a chemical or non-chemical addiction. Clinicians recognize that these grass roots efforts have a very high cure rate. However, little has been written on how to integrate these programs into a traditional therapy setting. *Integrating the 12 Steps into Addiction Therapy* serves as an indispensable resource for clinicians treating addiction patients who are simultaneously enrolled in 12 step programs. This valuable text contains eight lesson plans and twenty-seven assignments. It includes in-depth discussion of 12 step programs with hands-on resources like homework assignments, treatment plan examples, and patient handouts. It will also benefit 12 step program peer counselors. Includes companion CD-ROM with fully customizable homework assignments, lesson plans, and presentations. Treating addictions, whether chemical or non-chemical, can be one of the most difficult challenges faced by mental health professionals. For many people, 12 step programs have played a critical role in helping them to manage their addictive behaviors. *Integrating the 12 Steps into Addiction Therapy* gives psychologists, therapists, counselors, social workers, and clinicians the tools and resources they need to fully utilize these peer therapy program techniques in treating a wide variety of addictions. **The Sponsor's 12 Step Manual: a Guide to Teaching and Learning the Program of AA** John E., 2012-04-29. A Guide to teaching the 12 Steps. The Sponsor's 12 Step Manual is an independent approach to delivering the program of AA that will help people learn faster and remember more. The six levels also cover self-reflection and creativity, with the final level of each Step looking at how a sponsee may carry the message to a newcomer. This is not a stand-alone book; for it to work, you will also need to have access to AA's Big Book and The 12 Steps and 12 Traditions.
