Spontaneous Expansion Of The Church:

The Spontaneous Expansion of the Church Roland Allen, 1997-05-07 In all his writings Allen's overriding concern was to show that missionary method far from being a secondary or indifferent matter is a matter of supreme importance *The Spontaneous Expansion of the Church - And the Causes Which Hinder It* Roland Allen, 2006-08 If it were once believed that the freedom of churches should be restricted to bring greater control to missions Roland Allen sets out to overturn this conception Warning against the danger of imposing greater limits on churches the Author advocates that all members of the church natives and foreigners alike must take an active role in its establishment and daily life The study divides itself into nine chapters the first introducing Allen's standpoint the second as an opening into the nature and character of Spontaneous Expression The third chapter deals with modern attempts by natives towards the liberty of their churches The fear of the doctrine becoming weakened by natives taking it into their own hands is addressed by chapter four and this fear is widened into the realm of the Christian standard of morals in chapter five Civilization and enlightenment form the central themes of the sixth chapter Chapters seven and eight tackle the distinction between the Church and missionary societies It is in the final chapter that the future of Spontaneous Expansion is investigated and Allen puts forward his ideas which as he rightly predicted were broadly accepted fifty years and longer still after their original publication *The Spontaneous Expansion of the Church* Roland Allen, Jawbone Jawbone Digital, 2018-02-19 Roland Allen 1868 1947 was a British missionary who has written some of the most straight forward works on missions available These are not books written by an executive in a home office but by a man who spent the majority of his life in the mission field As time progressed Allen became somewhat disenfranchised with the established church seeing a division between the formality of religion and the power of God Throughout his travels Allen spent time ministering in China India Canada and East Africa He died while serving in Nairobi Kenya which is where he is buried He was 78 years old His work wasn't well received until years after his death but since then his books have been considered some of the most revolutionary written on the subject of missions Some of what he taught that seemed counterintuitive at the time include the ideas that missionaries should be self sustaining like Paul who made tents should adapt their methods to local customs and train locals to take over the mission work The Table of Contents are as follow Introduction The Nature and Character of Spontaneous Expansion Modern Movements Towards Liberty Fear for the Doctrine The Christian Standard of Morals Civilization and Enlightenment Missionary Organization Ecclesiastical Organization The Way of Spontaneous Expansion For more of the most enduring Christian classics ever written including a small library of free eBooks just for signing up for the email list be sure to visit the publisher's website at <http://JawboneDigital.com> **The Spontaneous Expansion of the Church** Roland Allen, 1956 *The Spontaneous Expansion of the Church* Roland Allen, 1994-08-01 *Roland Allen* J. D. Payne, 2012-04-18 Roland Allen Pioneer of Spontaneous Expansion examines the life of Allen and his convictions regarding the missionary work of the Church Drawing extensively from Allen's

publications Payne weaves together a concise explanation of Allen's thinking that provided the foundation for what he came to describe as the spontaneous expansion of the Church. This well-documented work addresses Allen's views on the way of Jesus and the Apostles, indigenous churches, Holy Spirit, the role and faith of the missionary, devotional leadership, development, voluntary clergy, and non-professional missionaries. This book will be of interest to church leaders, missionaries, and other mission-minded thinkers who wish to explore the radical missiology of one of the most influential Christian writers of the twentieth century.

The Spirit Driven Church Jonathan Saul, 2019-10-24

These are the words of Jesus: But you will receive power when the Holy Spirit comes on you and you will be my witnesses in Jerusalem and in all Judea and Samaria and the ends of the earth. Acts 1:8

First, let it be said: what this book is not. It is not a how-to manual on Church planting or Church growth. It is not a program or system that can be planned out and understood by the religious mind. It is not a plan to return to biblical New Testament Church government. It is not a strategy on how we can bring about the return of Jesus Christ. It is not a how-to handbook to evaluate your gifts or build and multiply your leadership qualities. It is not a scheme to help bring in the last great revival. It is not a discipleship training program. It is not a help's guide to tweak, modify, or strengthen current methods of Church planting or Church growth strategies. It is not a method to provide you and your Church with more or better tools for Church expansion or to evaluate techniques to increase the last-day harvest.

The Spirit Driven Church was written to encourage the Rapid Spontaneous Expansion of Spirit-infused believers in any geographical area. Believers are immersed in the Burning Flame of God's love and power and are driven to see that love ablaze in others. In the Mark's Gospel, as John the Baptist is baptizing Jesus, and He comes up out of the water, the heavens open and the Holy Spirit descends on Him in the form of a dove. A voice speaks to Him from heaven, saying: You are my dearly loved son; with you, I am well pleased. The very next verse states: The Spirit immediately drove Him out into the wilderness. Since the body of Jesus was driven by the Spirit after going into the waters of baptism and having the Holy Spirit descend upon Him, should not the members of His body on the earth today have His Church be Spirit Driven as well? The Spirit Driven Church explores what happens when the Church releases its control and allows the Wind of God's Spirit to fan love's flames into a raging fire. Will you allow the fiery flame of God's passionate love that was driving Jesus? What is driving you? Let it be so, and together we will see the knowledge of the glory of our Lord cover the earth as the waters cover the sea.

Roland Allen's the Ministry of Expansion Roland Allen, 2017-09-01

The Priesthood of the Laity Roland Allen was one of the most influential mission thinkers of the twentieth century. As a High Church Anglican, he had great respect and value for Church tradition but was quick to confront cultural preferences when they appeared to contradict

biblical prescriptions The Ministry of Expansion The Priesthood of the Laity reflects his thoughts that dealt with Communion related activities in the Majority World where the Anglican Church did not have well developed church structures and priests In this work Allen argues that there are times and circumstances when non clergy must take the lead in the administration of Holy Communion Written around 1938 The Ministry of Expansion The Priesthood of the Laity has remained unpublished until now The work you hold represents one of the last book length manuscripts written by Allen and includes a collection of articles by contemporary Allen scholars Though nearly eighty years since he first put pen to paper Allen s principles and convictions still speak to the Church with great gravitas What should be the response when the Church s cultural preferences are unable to keep up with the work of the Spirit on the mission field This was a not only a question in Allen s day but one for every generation of believers

Missionary Methods Roland Allen,1962-05-25 We are talking today of indigenous churches St Paul s churches were indigenous churches in the proper sense of the word and I believe that the secret of their foundation lay in his recognition of the church as a local church as opposed to our national churches and in his profound belief and trust in the Holy Spirit indwelling his converts and the churches of which they were members which enabled him to establish them at once with full authority Author s preface to the second 1927 edition *Expanding God's Kingdom Through Church Planting* Fred Herron,2003-02-09 Using a biblical strategic plan this book presents a dynamic effective plan for planting churches It presents God s heart for kingdom expansion planting local churches Herron discusses characteristics and methods of successful church planters He thoroughly diagrams how a potential church planter can survey a community with the intent of developing a heart for the community how to plan strategically and how to pray strategically Also included are keys to effective church planting strategic planning gathering the core group reaching the lost structuring for disciple making and developing leaders Common pitfalls are also discussed Expanding God s Kingdom Through Church Planting is a book to be read reread and shared It deserves a front row seat on a bookshelf Herron writes This book was written to provide a high quality guidebook for church planters churches that plant churches schools that teach church planting and denominational or post denomination leaders that over church planting

The Living Church ,1963 **Worship Changes Since the First Century** K. M. Haddad,2014-10-12 Trace the exact date changes were made in church worship since the first century These changes were mostly led by popes who had bought their office led armies against people rejecting them and had illegitimate children Trace the protesters since the second century and the persecution they endured often being burned at the stake Discover the hymns we sing still today written by the protesters sometimes just hours before their torturous death Then be challenged to go forward Back to the Bible Be challenged to get rid of denominationalism and unite only in Christ with our only headquarters being in heaven Can it be done Christian unity Read this and make the challenge your own

Women and the Spontaneous Expansion of the Early Church Jeff Reed,2015-10-27 The Second Reformation Bill Beckham,2015-11-27 Bill Beckham describes how Jesus used groups of different sizes and relationships

three twelve seventy and one hundred and twenty at Pentecost to fulfill his global purpose Beckham demonstrates how we need to relearn Christ's same relational strategy to plant churches and win a lost world for Jesus Christ Beckham shows how many churches today have allowed an Old Testament theology to dictate their ecclesiology He then offers practical advice and clear direction to return to the original way to live Church as an expansion movement like Jesus did In this book Beckham shows how the Cell Church Movement is God's answer to take the church back to a place of fruitfulness and effectiveness

Mission Partnership in Creative Tension Samuel Cueva, 2015-04-14 Samuel Cueva has refined his concept of partnership in mission by advocating the use of reciprocal contextual collaboration in this important contribution to scholarly reflection on contemporary missiology Referencing historical theological and functional aspects of how mission has been carried out as well as analyzing its impact on the evangelical movement the author identifies that mission always develops with positive and negative tensions Emphasizing an understanding of current missions which include traditional networking and emergent models and how they can be combined interconnected and interchanged the author proposes a fresh model that ensures the suitability for every mission context

Spontaneous Expansion Of The Church Introduction

In the digital age, access to information has become easier than ever before. The ability to download Spontaneous Expansion Of The Church has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Spontaneous Expansion Of The Church has opened up a world of possibilities. Downloading Spontaneous Expansion Of The Church provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Spontaneous Expansion Of The Church has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Spontaneous Expansion Of The Church. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Spontaneous Expansion Of The Church. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Spontaneous Expansion Of The Church, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download Spontaneous Expansion Of The Church has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
