Sport In New Zealand Society:

Sport and the New Zealanders Greg Ryan, Geoff Watson, 2018-08-09 A history of New Zealanders and the sports that we have made our own from the Maori world to today's professional athletes in the pubs during the furious session between 5pm and closing time an hour later the friend of a relative of a horse trainer is a veritable patriarch No matador in Madrid no tenor in Turin could be sure of such flattering attention As Brittenden suggested sport has played a central part in the social and cultural history of Aotearoa New Zealand throughout its history This book tells the story of sport in New Zealand for the first time from the Maori world to today's professional athletes Through rugby and netball bodybuilding and surf lifesaving the book introduces readers to the history of the codes the organisations and the players It takes us into the stands and on to the sidelines to examine the meaning of sport to its participants its followers and to the communities to which they belonged Why did rugby become much more important than soccer in New Zealand What role have Maori played in our sporting life Do we really punch above our weight in international sport Does sport still define our national identity Viewing New Zealand sport as activity and as imagination *Sport and the New Zealanders* is a major history of a central strand of New Zealand life

Sport in Aotearoa/New Zealand Society Chris Collins, Steven J. Jackson, 2007 Chris Collins and Steve Jackson have gathered together for this book key researchers and academics throughout New Zealand all of whom are active in research and teaching in the field of sport studies in various institutions The result is a comprehensive and up to date analysis of different aspects of sport in the social setting focusing on New Zealand Chapters in the 2nd edition have either been entirely re written or updated covering sport in relation to major theoretical perspectives identity culture globalisation media politics government education religion the Treaty of Waitangi gender drugs violence coaching and the future New chapters include sport historiography sport and our past Maori sport sport policy sport and masculinity and sport and the body Not only are key theoretical issues covered in each of these areas but the book also endeavours to point the reader towards practical implications such as for policy and management

Sport in Aotearoa New Zealand Damion Sturm, Roslyn Kerr, 2021-12-28 This fascinating book investigates the sporting traditions successes systems terrains and contemporary issues that underpin sport in New Zealand also known by its M ori name of Aotearoa The book unpacks some of the cliches around the place prominence and impact of sport and recreation in Aotearoa New Zealand in order to better understand the country's sporting history cultures institutions and systems as well as the relationship between sport and different sections of society in the country Exploring traditional sports such as rugby and cricket indigenous M ori sport outdoor recreation and contemporary lifestyle and adventure sports such as marching and parkour the book examines the contested and conflicting societal geographical and managerial issues facing contemporary Aotearoa New Zealand sport Essential reading for anybody with a particular interest in sport in Aotearoa New Zealand this book is also illuminating reading for anybody working in the sociology of sport sport development sport management sport history or the wider history politics and culture of Aotearoa

New Zealand or the South Pacific **Sport, Society & Culture in New Zealand** Brad Patterson,1999 *Sport Tourism Development* Thomas Hinch,James E. S. Higham,2004 In setting the foundation for this book the unique qualities of sport as a tourist attraction are presented and discussed theoretically It then addresses in six chapters central themes of sport tourism development *New Zealand's empire* Katie Pickles,Catharine Coleborne,2015-11-01 Both colonial and postcolonial historical approaches often sideline New Zealand as a peripheral player This book redresses the balance and evaluates its role as an imperial power as both a powerful imperial envoy and a significant presence in the Pacific region *Handbook of Sports Studies* Jay Coakley,Eric Dunning,2000 An authoritative cast of international and inter disciplinary contributors present the best of current thinking in sports studies as the subject matures and develops academically Sport and Nationalism Stuart Whigham,2024-02-08 Sport and Nationalism Theoretical Perspectives aims to advance the academic study of the interconnections between sport and nationalism by firstly reviewing the current state of play in this field of study and secondly highlighting the potential for the development of future theoretically informed analysis of the relationship between sport nationalism and national identity This book offers a critical appraisal of the utility of various theoretical concepts used to explore the nature of contemporary nationalism when applied to the specific topic of sport Bringing together a range of contemporary academics in this field of study it offers an opportunity to showcase contrasting theoretical positions on this topic Furthermore the central focus of the book regarding extended application of theories of nationalism to the field of sport provides an opportunity for novel and critical contributions to this field of study This book will be beneficial to students researchers and professionals with an interest in sport and in the relationship between sport politics and nationalism The chapters in this book were originally published as a special issue of Sport in Society *Sport and Contested Identities* David Hassan,Ciaran Acton,2017-09-07 Identity is one of the most theorised and contested of all sociological concepts and sport is fertile ground for an examination of its complexities This book offers a wide ranging and up to date exploration of the sport identity nexus drawing examples from a variety of sporting contexts and geographical locations and incorporating a diversity of perspectives including players spectators officials the media and policy makers Covering key themes in the social scientific study of sport such as gender ethnicity and national identity it considers the impact of social cultural and technological change on the formation of sporting identities Including original real life case studies each chapter makes a unique contribution to our understanding of the complex relationship between sport and identity As this relationship is embedded within the broader structures of power that frame social inequality this book also poses important questions about the role of sport related initiatives in our society today as well as in years to come Sport and Contested Identities Contemporary Issues and Debates is fascinating reading for all students and scholars of the sociology of sport

Participation in Sport Matthew Nicholson,Russell Hoyer,Barrie Houlihan,2010-09-06 Although there is growing interest from governments in participation levels in sport the extent to which governments actively promote sport for all and their

motives for doing so vary greatly This is the first book to examine the sport participation policies of national governments across the world and to offer a comparative analysis of the motives for and successes and failures of those policies Organized around a series of sixteen national case studies including the UK the US Australia China and India the book enables students and practitioners to compare and contrast the development implementation and impact of sport participation policies throughout the world An introductory chapter provides a framework for understanding and interpreting those case studies and each chapter then addresses the following key themes national structures for sport national sporting cultures participation levels in organized sport the nature and extent of government intervention implementation of governmental policy the impact of government policy With contributions from many of the world s leading experts on sport policy and sport development this book is essential reading for anybody with an interest in the role of governments in relation to supporting and regulating their citizens involvement in sport

Family and Sport Steven M. Ortiz, 2023-12-14 Highlighting the microlevel of the family to grapple with contemporary social issues at the macrolevel of society this volume charts new territory to advance a valuable understanding of family and sport issues

Changing Times Jenny Carlyon, Diana Morrow, 2014-02-01 From the golden weather of postwar economic growth through the globalization economic challenges and protest of the 1960s and 1970s to the free market revolution and new immigrants of the 1980s and 1990s and beyond this account the most complete and comprehensive history of New Zealand since 1945 illustrates the chronological and social history of the country with the engaging stories of real individuals and their experiences Leading historians Jennifer Carlyon and Diana Morrow discuss in great depth New Zealand s move toward nuclear free status its embrace of a small state free market ideology and the seeming rejection of its citizens of a society known for the worship of averages Stories of pirate radio in Auckland s Hauraki Gulf the first DC8 jets landing at Mangere airport feminists liberating pubs public protests over the closing of post offices and indigenous language nests vividly demonstrate how a postwar society famous around the world for its dull conformity became one of the most ethnically economically and socially diverse countries on earth

Sports in Postcolonial Worlds Nicolas Bancel, Thomas Riot, Stanislas Frenkiel, 2018-02-02 This book explores several cultural and historical paths intertwined in the genesis and development of sport and physical activities within colonial and postcolonial contexts As far as youth organizations and Western based sports are concerned the Independencies political split needs to be reconsidered from a cultural perspective with practices overlapping spatial chronological and epistemological borders When looking at the variety of practices the colonial legacies and the ensuing migration journeys through a global perspective there is a need to understand the diverse ways of composing and building the postcolonial sport worlds Multiculturalism South Africa France Algeria transnational journeys Pacific Islands rebuilding of national identities through sporting institutions Ireland West Africa racialization of the society Rwanda South Africa gender control from the West East to the North South gap sportization of traditional old games Americas and so on Following the various studies shaping this book the ambivalence

of sporting and physical activities paths comes up It is apparent these trajectories have generated a mixed feeling of adhesion and repulsion towards Western hegemonies in postcolonial societies

Routledge Handbook of Sport, Race and Ethnicity John Nauright, David K Wiggins, 2016-09-13 Few issues have engaged sports scholars more than those of race and ethnicity Today globalization and migration mean all major sports leagues include players from around the globe bringing into play a complex mix of racial ethnic cultural political and geographical factors These complexities have been examined from many angles by historians sociologists anthropologists and scientists This is the first book to offer a comprehensive survey of the full sweep of approaches to the study of sport race and ethnicity The Routledge Handbook of Sport Race and Ethnicity makes a substantial contribution to scholarship presenting a collection of international case studies that map the most important developments in the field Multi disciplinary in its approach it engages with a wide range of disciplines including history politics sociology philosophy science and gender studies It draws upon the latest cutting edge research to address key issues such as racism integration globalisation development and management Written by a world class team of sports scholars this book is essential reading for all students researchers and policy makers with an interest in sports studies Chapter 18 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Community Sport Coaching Ben Ives, Paul Potrac, Laura Gale, Lee Nelson, 2021-10-20 In many Western nations community sport coaches occupy a central role in supporting the physical health mental wellbeing and wider social development of individuals and communities However there is no existing academic textbook that examines the policy contexts in which their work is located or indeed the challenges and opportunities that are an inherent feature of their everyday practice Bringing together an international team of leading researchers in sport policy sport development sport pedagogy and sport coaching as well as some of the best emerging talents this book is the first to critically consider a range of policy and practice issues directly connected to community sport coaching Comprehensive timely and cutting edge no other text brings together in one place such a depth and breadth of scholarly material addressing this important field of endeavour This book is an essential resource for educators students practitioners and policy makers concerned with community sport coaching globally

Current Catalog National Library of Medicine (U.S.), 1979 First multi year cumulation covers six years 1965-70

Sports around the World John Nauright, 2012-04-06 This multivolume set is much more than a collection of essays on sports and sporting cultures from around the world it also details how and why sports are played wherever they exist and examines key charismatic athletes from around the world who have transcended their sports Sports Around the World History Culture and Practice provides a unique global overview of sports and sports cultures Unlike most works of this type this book provides both essays that examine general topics such as globalization and sport international relations and sport and tourism and sport as well as essays on sports history culture and practice in world regions for example Latin America

and the Caribbean the Middle East and North Africa Europe and Oceania in order to provide a more global perspective These essays are followed by entries on specific sports world athletes stadiums and arenas famous games and matches and major controversies Spanning topics as varied as modern professional cycling to the fictional movie Rocky to the deadly ball game of the ancient Mayans the first three volumes contain overview essays and entries for specific sports that have been and are currently practiced around the world The fourth volume provides a compendium of information on the winners of major sporting competitions from around the world Readers will gain invaluable insights into how sports have been enjoyed throughout all of human culture and more fully comprehend their cultural contexts The entries provide suggestions for further reading on each topic helpful to general readers students with school projects university students and academics alike Additionally the four volume Sports Around the World spotlights key charismatic athletes who have changed a sport or become more than just an outstanding player
