Arena: Investment, Politics, Profit H. Richard Friman, Ph.D. et al.,Yong-jae Ko, Ph.D.,Andrew Tharp, Ph.D.,Jin-Bing Yang, Ph.D.,2016-09-30 Martial art business related aspects are found at the base level in individual schools and mushroom to a global level in international organizations This anthology includes writings by professionals who offer information and insights into the financial side of the martial arts Chapters focus on related practical matters as profit politics and investment In the first chapter Dr Richard Friman asks If the martial arts are supposed to offer paths to personal growth and enlightenment why are they in practice plagued with displays of rampant egos politics and battles over turf by their practitioners The experience of instruction in the United States suggests that the pursuit of the arts is becoming lost in the pursuit of profit The next chapter by Dr Yong Jae Ko presents the evolution of the martial arts industry into a global consumer products industry and examines the application of modern business techniques on this industry with a particular focus on marketing strategy It also discusses future opportunities and challenges facing the martial arts industry and offers helpful suggestions In the following chapter Dr Ko and coauthor Dr Jin Bin Yang discuss the global expansion and integration of Asian martial arts Such factors as sportification and standardization are closely examined as significant driving forces for the growth of the martial arts industry This chapter also examines important issues influencing the development and the martial arts industry future growth The next chapter by Dr Yong Jae Ko presents the evolution of the martial arts industry into a global consumer products industry and examines the application of modern business techniques on this industry with a particular focus on marketing strategy It also discusses future opportunities and challenges facing the martial arts industry and offers helpful suggestions In the following chapter Dr Ko and coauthor Dr Jin Bin Yang discuss the global expansion and integration of Asian martial arts Such factors as sportification and standardization are closely examined as significant driving forces for the growth of the martial arts industry This chapter also examines important issues influencing the development and the martial arts industry future growth The final chapter by Andrew Tharp presents the history that influenced the value of Japanese swords as works of art The Japanese have created a legal system that has preserved their historical weapons in a

way no other society has done Historical sources and current statutes will show how the Japanese created a monopoly that successfully conserved their culture for future generations Although this Japanese phenomenon is extraordinary it also serves to show possibilities for those interested in investing in weaponry from other cultures and augments our appreciation of militaria for their aesthetics Reading this anthology will help martial art students better understand differences between traditional schools and those that focus solely on profit Owners can deepen their business acumen and utilize information provided in these chapters to shape their schools program Of course many are influenced by martial art organizations that may be established on a local level national or international As an addition to your regular studies of martial art techniques and traditions the information you ll find here can certainly broaden one s view of the martial arts as a business arena

Religion and Sport in Japan Zachary T. Smith,Dennis J. Frost,Stephen G. Covell,2024-09-30 The sports world s attention was focused on Japan for the Tokyo 2020 Summer Olympics and Paralympics The years long buildup to and aftermath of the games occurred in the midst of the global pandemic which delayed the event until 2021 Given all of this there is perhaps no better time to delve into an often overlooked but critical facet of sport in Japan religion Religion has long been a part of the Japanese sport tradition from Shugend practitioners offering sumo bouts to the gods to soccer players of all ages praying for success at Shint shrines from the use of meditation and ritual in martial arts to gain focus or superhuman abilities to religious organizations sponsoring sporting events and teams and school sports clubs Religion and Sport in Japan brings together historians and sport and religious studies specialists from Japan the US and Europe to address sport s ties to corporate and national identity politics environmentalism ritual and sacred space Major themes discussed include the spiritual geographies of sport sport as invented tradition technologies of self material culture and civil religion The chapters are written so that sport historians with no background in the study of Japan or religious studies scholars who have never before examined the world of sport will find the material accessible To provide further grounding for non field specialists the volume begins with two background chapters that introduce sport studies in Japan and the study of religion and sport
