Lefty and Tim William C. Kashatus,2022-06 Lefty and Tim is the dual biography of Hall of Fame pitcher Steve Lefty Carlton and catcher Tim McCarver detailing their relationship from 1965 when they played with the St Louis Cardinals through 1980 when they played for the Philadelphia Phillies Along the way McCarver became Carlton s personal catcher and together they became the best battery in baseball in the mid to late 1970s At first glance Carlton and McCarver appear like an odd couple McCarver was old school Carlton new age At the beginning of his career McCarver believed that the catcher called the pitches encouraged the pitcher when necessary and schooled the pitcher when he deviated from the game plan But Lefty who pioneered the use of meditation and martial arts in baseball was stubborn too He wanted to control pitch selection Over time Carlton and McCarver developed a strong bond off the diamond that allowed them to understand and trust each other In the process Steve Carlton became one of the greatest left handers in the history of Major League Baseball an achievement that would not have been possible without Tim McCarver as his catcher Not only did McCarver mentor Carlton as a young hurler with the Cardinals but he helped resurrect Carlton s career when they were reunited in Philadelphia midseason in 1975 Carlton won his second Cy Young Award with McCarver behind the plate in 1977 Told in the historical context of the time they played the game Lefty and Tim recounts the pair s time in the tumultuous sixties with the racial integration of the St Louis Cardinals and the dominance of pitching and in the turbulent seventies characterized by MLB s labor tensions the arrival of free agency and the return of the lively ball that followed the lowering of the pitcher s mound in 1969 *Right on the Numbers* Nino Frostino,2004 The basic subject of the book is to justify which athlete was the Greatest to ever wear a particular number In my research I listed all of the possible uniform numbers 0 to 99 took the finest athletes from the four major sports baseball basketball football and hockey and slotted them under their appropriate uniform number For each player I created a mini biography detailing their finest exploits on the field whether it was All Star nods

championships won records held on field highlights etc Basically I created a case for that athlete to be considered the best to ever wear the number Among the possible uniform numbers I've listed nearly 850 athletes for consideration and provided the accompanying biography At the end of each section I form a debate as to the Greatest to ever wear the number and then make a selection After the selection is posted I then list some quotes made by or about the athlete for the reader to gain even more insight into the player Even if the reader is not overly concerned about the choice as to the Greatest under each uniform number the book also serves as a wonderful reference guide If the reader is interested in finding out more about any of the listed athletes it's easy to look up the player and find out who he played for and what he did between the white lines In either case *Right On the Numbers* serves multiple uses and is a must have for any true sports fan *Packers by the Numbers* John Maxymuk, 2003 Numbers conjure up vivid memories in sports If you say 3 most sports fans would think of Babe Ruth Green Bay Packer fans would remember Tony Canadeo If you say 75 most football fans would think of Mean Joe Green but Packer fans would recall Forrest Gregg This unique book features 99 chapters one keyed to each uniform number The history of each number provides a different slice of Packer history representing a thematic rather than chronological approach to Green Bay's rich heritage There is no other book like this that reviews a team history by its uniform numbers A refreshing take on a most popular team *The 100 Greatest Baseball Games of the 20th Century Ranked* Joseph J. Dittmar, 2015-11-05 More than 150 000 major league baseball games were played in the 20th century Here are ranked the 100 greatest the very best less than 1 10th of 1 percent of the contests They feature brilliant individual pitching performances pitching duels remarkable individual batting achievements team offensive explosions mind numbing comebacks multiple lead changes team rivalries and heroics in final at bats The games are from the regular season pennant races playoffs and the World Series The inclusion of some games might be surprising but all of them twanged or hammered the nerves of both spectators and participants *The Golfer of the Decade on the Pga Tour* Holanda Ray Holanda, Ray Holanda, 2010-02 The Golfer of the Decade is a prize that has never been awarded even though the Golfer of the Century was so honored This book tells the story of the PGA Tour as a battle between the greatest golfers of the game for the prize of The Golfer of the Decade throughout its history I define The Golfer of the Decade as that golfer who won the most tournaments on the PGA Tour in each calendar decade In case of tie the winner would be that golfer among those tied who won the most majors The year 2006 was the 90th anniversary of the PGA Tour and the 10th anniversary of Tiger Woods's membership on the PGA Tour This book provides an opportunity to compare the accomplishments of Tiger Woods with the greatest players in the game who preceded him This book is not only about Walter Hagen Paul Runyan Ben Hogan Sam Snead Arnold Palmer Jack Nicklaus Tom Watson Nick Price and Tiger Woods It is also about the battles they fought and the players with whom they competed to earn the title of The Golfer of the Decade on the PGA Tour **Ross Youngs** David King, 2013-05-21 Though Ross Youngs has been enshrined in the National Baseball Hall of Fame since 1972 few have given his remarkable career its due Born in Shiner

and raised in San Antonio Youngs played his first game as a professional at the age of sixteen and just three years later his contract was purchased by the New York Giants one of baseball's elite teams in the early twentieth century Tragically his promising career ended when he died from an illness at age thirty in 1927 Join author David King in a journey to discover the amazing Youngs as he was and the incredible legacy he left behind **Bums No More** Brian M.
