Chan, Sonny Shiu-hing Lo, 2010 The Hong Kong Special Administrative Region of the People's Republic of China is located on the southeastern coast of China and the Macao SAR can be found off of China's southern coast. Both regions have recently been released from European colonial rule: Hong Kong from British control in 1997 and Macao from Portugal in 1999. As SARs, Hong Kong and Macao retain a high degree of autonomy and they control all issues except those of state, e.g., diplomatic relations and national defense. *The A to Z of the Hong Kong SAR and the Macao SAR* includes maps, photographs, a list of acronyms, a chronology, an introductory essay, a bibliography, and hundreds of cross-referenced dictionary entries on important persons, places, and events, as well as political, economic, and social background. However, unlike the rest of the series, all these sections are presented in duplicate: one for Hong Kong and one for Macao. The authoritative analysis and informative data presented clearly elucidate the unique situation of these two territories. *UNC A to Z* Nicholas Graham, Cecelia Moore, 2025-04-04 In this revised and expanded edition, *UNC A to Z* offers more Carolina history than ever before. Covering everything from the Old Well and the Confederate monument to the COVID-19 pandemic and Roy Williams's retirement, this book is a handy, portable introduction to the nation's first public university, the University of North Carolina at Chapel Hill. With an additional twenty-five mini histories and new photographs, this book is perfect for new students getting to know the campus and alumni who want to learn more about their alma mater. Each entry is packed with fascinating facts, interesting stories, and little-known histories of the people, places, and events that have shaped the Carolina we know today. **The A to Z of Journalism** Ross Eaman, 2009-10-12 Journalism is the discipline of gathering, writing, and reporting news, and it includes the process of editing and presenting news articles. Journalism applies to various media, including but not limited to newspapers, magazines, radio, television, and the internet. The word *journalist* started to become common in the early 18th century to designate a new kind of writer, about a century before journalism made its appearance to describe what those writers produced. Though varying in form from one age and society to another, it gradually distinguished itself from other forms of writing through its focus on the present, its eye-witness perspective, and its reliance on everyday language. *The A to Z of Journalism* relates how journalism has evolved over the centuries. This is done through a chronology, an introductory essay, a bibliography, and hundreds of cross-referenced dictionary entries on the different styles of journalism, the different types of media, and important writers and editors. **The A to Z of the Gulf Arab States** Malcolm C. Peck, 2010-04 *The A to Z of the Gulf Arab States* comes at a time when the world's attention is riveted on the Middle East. The small states covered in this volume—Bahrain, Kuwait, Oman, Qatar, and the United Arab Emirates (UAE)—possess about 20 percent of the world's total oil reserves. Beyond the strategic and economic importance conferred upon them by their vast oil reserves, the Gulf Arab states are worthy of attention for the inherent interest of their history and culture. No area of the world has yielded more revealing and exciting archaeological finds in the past few decades than these states. Investigations

have brought to light extensive evidence of an important culture as old as Egypt of the Pharaohs or ancient Babylon which was virtually unknown previously except through rare references in the records of other civilizations The A to Z of the Gulf Arab States is a paperback reprint of the Historical Dictionary of the Gulf Arab States This edition covers the history of the five countries through a chronology broken down by country a list of acronyms and abbreviations an introductory essay a bibliography and several hundred cross referenced dictionary entries on important persons places and events of each country Everything from the Abbasids to Zubarah is covered in this essential reference on this increasingly important region of the world *Happiness and Wellness* Floriana Irtelli,Fabio Gabrielli,2023-03-15 This book is a collection of chapters on
