examine the complexity of black American sports culture from the organization of semi pro baseball and athletic programs at historically black colleges and universities to the careers of individual stars such as Jack Johnson and Joe Louis to the challenges faced by black women in sports What are today s black athletes doing in the aftermath of desegregation or with the legacy of Muhammad Ali s political stance The essays gathered here engage such issues as well as the paradoxes of corporate sport and the persistence of scientific racism in the athletic realm Offside Andrei S.
