Catalog of Books** ,1996      Consuming Knowledge: Studying Knowledge Use in Leisure and Work Activities Steven D. Silver,2012-12-06 It is difficult to overstate the importance of personal consumption both to individual consumers and to the economy While consumer are recognized as valuing market goods and services for the activities they can construct from them in the frameworks of several disciplines consequences of the characteristics of goods and services they use in these activities have not been well studied In the discourse to follow I will contrast knowledge yielding and conventional goods and services as factors in the construction of activities that consumers engage in when they are not in the workplace Consumers will be seen as deciding on non work activities and the inputs to these activities according to their objectives and the values and cumulated skills they hold I will suggest that knowledge content in these activities can be efficient for consumer objectives and also have important externalities through its effect on productivity at work and economic growth The exposition will seek to elaborate these points and contribute to multi disciplinary dialogue on consumption It takes as its starting point the contention that consumption is simultaneously an economic and social psychological process and that integration of content can contribute to explanation      **Caribbean Children's Literature, Volume 1** Betsy Nies,Melissa García Vega,2023-05-18 Contributions by Mar a V Acevedo Aquino Consuella Bennett Florencia V Cornet Stacy Ann Creech Zeila Frade Melissa Garc a Vega Ann Gonz lez Louise Hardwick Barbara Lalla Megan Jeanette Myers Betsy Nies Karen Sanderson Cole Karen Sands O Connor Geraldine Elizabeth Skeete and Aisha T Spencer The world of Caribbean children s literature finds its roots in folktales and storytelling As countries distanced themselves from former colonial powers post

1950s the field has taken a new turn that emerges not just from writers within the region but also from those of its diaspora Rich in language diversity and history contemporary Caribbean children s literature offers a window into the ongoing representations of not only local realities but also the fantasies that structure the genre itself Young adult literature entered the region in the 1970s offering much needed representations of teenage voices and concerns With the growth of local competitions and publishing awards the genre has gained momentum providing a new field of scholarly analyses Similarly the field of picture books has also deepened Caribbean Children s Literature Volume 1 History Pedagogy and Publishing includes general coverage of children s literary history in the regions where the four major colonial powers have left their imprint addresses intersections between pedagogy and children s literature in the Anglophone Caribbean explores the challenges of producing and publishing picture books and engages with local authors familiar with the terrain Local writers come together to discuss writerly concerns and publishing challenges In new interviews conducted for this volume international authors Edwidge Danticat Junot Diaz and Olive Senior discuss their transition from writing for adults to creating picture books for children

Blood and Politics Leonard Zeskind, 2009-05-12 More than fifteen years in the making Blood and Politics is the most comprehensive history to date of the white supremacist movement as it has evolved over the past three plus decades Leonard Zeskind draws heavily upon court documents racist publications and first person reports along with his own personal observations An internationally recognized expert on the subject who received a MacArthur Fellowship for his work Zeskind ties together seemingly disparate strands from neo Nazi skinheads to Holocaust deniers to Christian Identity churches to David Duke to the militia and beyond Among these elements two political strategies mainstreaming and vanguardism vie for dominance Mainstreamers believe that a majority of white Christians will eventually support their cause Vanguardists build small organizations made up of a highly dedicated cadre and plan a naked seizure of

power Zeskind shows how these factions have evolved into a normative social movement that looks like a demographic slice of white America mostly blue collar and working middle class with lawyers and Ph D s among its leaders When the Cold War ended traditional conservatives helped birth a new white nationalism most evident now among anti immigrant organizations With the dawn of a new millennium they are fixated on predictions that white people will lose their majority status and become one minority among many The book concludes with a look to the future elucidating the growing threat these groups will pose to coming generations
