Spots Little Of Fun:

Pick Your Spot: A Small-Town Romance Jemi Fraser, 2025-04-15 Inheriting an apple farm wasn't on Knox's Bingo card. This military veteran hasn't found his place in civilian life. Running an orchard intrigues him as does uncovering the family secrets behind the inheritance. When he meets the woman behind recent improvements on the farm, he knows he's all in. But someone wants to upset the apple cart, and if Knox can't figure it out, he might lose it all. **Pick Your Spot** is the first book in Jemi Fraser's **Heroes To The Core** romance series. Each of these small town romances can be read as a stand alone, although they are best enjoyed in order. The book contains a touch of danger, some strong language, and sexy times. Enjoy the read.

Universal Dictionary of Arts, Sciences, and Literature Abraham Rees, 1819 **Sweet Spot** Susan Mallery, 2010-04-01 Responsibility should be Nicole Keyes's middle name. After all, not many people would sacrifice their lives to run the family bakery and raise a younger sibling. But with Nicole's twin sister, now blissfully married, and her younger sis turning out more femme fatale than girl next door, super-reliable Nicole is getting sick of putting everyone else's needs first. Enter Hawk. The deliciously sexy former NFL player offers Nicole a taste of the freedom she craves. Hawk may know the way blindfolded to her sweet spot, but Nicole's not about to let him get close enough to break her heart. Of course she might not have a choice in the matter if Hawk's past keeps getting in the way of their present. Encyclopædia Britannica , 1817 *Find a soft spot to land on* Michael Coatesworth, 2019-12-16 Another wonderfully warm and addictive tale from Michael Coatesworth. We accompany him on a journey which takes us from him growing up in the 1950s through very testing times to almost present day. A thought-provoking tale of one man's sometimes difficult and traumatic journey through life and those people who touched his life along the way. Discipline at home was strict and harsh, and when his father decides that it's time that he stood on his own two feet, he turns him out on to the streets at the tender

The Gaelic-English Dictionary Colin B.D. Mark,2003-09-02 This book fulfils a keenly felt need for a modern comprehensive dictionary of Scottish Gaelic into English The numerous examples of usage and idiom in this work have been modelled on examples culled from modern literature and encompass many registers ranging from modern colloquial speech to more elaborate literary constructions The main contemporary terms and idiomatic phraseology often not available in other dictionaries provide excellent models for easier language learning In addition to the main dictionary the volume contains introductory material providing guidance on using the dictionary spelling and pronunciation There are also twelve useful appendices which cover not only the various parts of speech lenition and proper nouns but also address the more difficult issues of expressing time direction and numerals The clarity of the design and layout of the volume will greatly ease the process of attaining mastery of the Gaelic language **Proceedings of the M [three Dots in Triangular Formation] W [three Dots in Triangular Formation] Grand Lodge of Free and Accepted Masons of the State of California at Its Annual Communication** Freemasons.
