American National Red Cross, 1938 **The Thousand-Year Flood** David Welky, 2024-05-31 In the early days of 1937 the Ohio River swollen by heavy winter rains began rising And rising And rising By the time the waters crested the Ohio and Mississippi had climbed to record heights Nearly four hundred people had died while a million more had run from their homes The deluge caused more than half a billion dollars of damage at a time when the Great Depression still battered the nation Timed to coincide with the flood's seventy-fifth anniversary The Thousand Year Flood is the first comprehensive history of one of the most destructive disasters in American history David Welky first shows how decades of settlement put Ohio valley farms and towns at risk and how politicians and planners repeatedly ignored the dangers Then he tells the gripping story of the river's inexorable rise residents fled to refugee camps and higher ground towns imposed martial law prisoners rioted Red Cross nurses endured terrifying conditions and FDR dispatched thousands of relief workers In a landscape fraught with dangers from unmoored gas tanks that became floating bombs to powerful currents of filthy floodwaters that swept away whole towns people hastily raised sandbag barricades piled into overloaded rowboats and marveled at water that stretched as far as the eye could see In the flood's aftermath Welky explains New Deal reformers utopian dreamers and hard pressed locals restructured not only the flood stricken valleys but also the nation's relationship

with its waterways changes that continue to affect life along the rivers to this day A striking narrative of danger and adventure and the mix of heroism and generosity greed and pettiness that always accompany disaster The Thousand Year Flood breathes new life into a fascinating yet little remembered American story **Spring Floods and Tornadoes of 1936** American National Red Cross,1936 *The Journal of the Assembly During the ... American-Made Nick Taylor,2008-02-26 If you ve traveled the nation s highways flown into New York s LaGuardia Airport strolled San Antonio s River Walk or seen the Pacific Ocean from the Beach Chalet in San Francisco you have experienced some part of the legacy of the Works Progress Administration WPA one of the enduring cornerstones of Franklin D Roosevelt s New Deal When President Roosevelt took the oath of office in March 1933 he was facing a devastated nation Four years into the Great Depression a staggering 13 million American workers were jobless and many millions more of their family members were equally in need Desperation ruled the land What people wanted were jobs not handouts the pride of earning a paycheck and in 1935 after a variety of temporary relief measures a permanent nationwide jobs program was created This was the Works Progress Administration and it would forever change the physical landscape and the social policies of the United States The WPA lasted for eight years spent 11 billion employed 8 million men and women and gave the country not only a renewed spirit but a fresh face Under its colorful head Harry Hopkins the agency s remarkable accomplishment was to combine the urgency of putting people back to work with its vision of physically rebuilding America Its workers laid roads erected dams bridges tunnels and airports They stocked rivers made toys sewed clothes served millions of hot school lunches When disasters struck they were there by the thousands to rescue the stranded And all across the country the WPA s arts programs performed concerts staged plays painted murals delighted children with circuses created invaluable guidebooks Even today more than sixty years after the WPA ceased to exist there is almost no area in

America that does not bear some visible mark of its presence Politically controversial the WPA was staffed by passionate believers and hated by conservatives its critics called its projects make work and wags said it stood for We Piddle Around The contrary was true We have only to look about us today to discover its lasting presence **Bulletin of the American**
