Spring Awakening:

The Awakening of Spring Frank Wedekind, 1910 That it is a fatal error to bring up children either boys or girls in ignorance of their sexual nature is the thesis of Frank Wedekind's drama *Frühlings Erwachen*. From its title one might suppose it a peaceful little idyl of the youth of the year. No idea could be more mistaken. It is a tragedy of frightful import and its action is concerned with the development of natural instincts in the adolescent of both sexes. The playwright has attacked his theme with European frankness but of plot in the usual acceptance of the term there is little. Instead of the coherent drama of conventional type Wedekind has given us a series of loosely connected scenes illuminative of character scenes which surely have profound significance for all occupied in the training of the young. He sets before us a group of school children lads and lassies just past the age of puberty and shows logically that death and degradation may be their lot as the outcome of parental reticence.

Spring Awakening Frank Wedekind, 2013-01-02 Set in late 19th century Germany it concerns teenagers who are discovering the inner and outer tumult of sexuality. The play's performance was threatened with closure when the city's Commissioner of Licenses claimed that the play was pornographic due to its portrayal of abortion, homosexuality, rape, child abuse and suicide, but a New York trial court issued an injunction to allow the production to proceed.

Spring Awakening Frank Wedekind, 2008 THE STORY First performed under heavy censorship in Germany in 1906, Frank Wedekind's play closed after one night in New York in 1917 amid public outrage and charges of obscenity. The play's content was radical indeed: teenage sex, suicide, abortion.

Spring Awakening Steven Sater, 2010-02 *Spring Awakening* is an extraordinary new rock musical with book and lyrics by Steven Sater and music by Grammy Award-nominated recording artist Duncan Sheik. Inspired by Frank Wedekind's controversial 1891 play about teenage sexuality and society's efforts to control it, the piece seamlessly merges past and present, underscoring the timelessness of adolescent angst and the universality of human passion.

Spring Awakening: A Musical (new Edition) Steven Sater, Duncan Sheik, 2021-12-09 The groundbreaking rock musical about teenage sexuality with book and lyrics by Steven Sater and music by Duncan Sheik.

Spring awakening, 2006 Original Broadway cast recording

Spring's Awakening Frank Wedekind, 1995 Applause Books *Spring's Awakening* is a tragic comedy of teenage sex. Its fourteen-year-old heroine Wendla is killed by abortion pills. The young Moritz, terrorized by the world around him and especially by his teachers, shoots himself. The ending seems likely to be the suicide of Moritz's friend Melchior, but in a confrontation with a mysterious stranger, the famous Masked Man, he finally manages to shed his illusions and face the consequences.

The Awakening of Spring Frank Wedekind, 2018-10 During an argument over the length of her skirt, Wendla Bergmann confides to her mother that she sometimes thinks about death. When she asks her mother if that is sinful, her mother avoids the question. Wendla jokes that she may one day wear nothing underneath the long dress. After school, Melchior Gabor and Moritz Stiefel talk about items of little consequence before confiding in each other that recently they have both become tormented by sexual dreams and

thoughts Melchior is knowledgeable about the mechanics of sexual reproduction but Moritz is woefully ignorant and proposes several hypothetical techniques such as having brothers and sisters share beds or sleeping on a firm bed that might prevent his future children from being as tense and frightened as he is Melchior an atheist blames religion for Moritz's fears Before departing Melchior insists that Moritz come over to his house for tea where Melchior will show him diagrams and journals with which he will teach Moritz about life Moritz leaves hastily embarrassed Spring Awakening Frank Wedekind, 1996-02-15 This version of Frank Wedekind's extraordinary play *Spring Awakening* was specially commissioned by the Royal Shakespeare Company The themes it addresses and the sheer energy of the writing make this masterpiece of German symbolism startlingly relevant today With its scenes of pubescent angst sexual outspokenness rape and homosexuality the play still more than one hundred years after it was first staged has the power to shock Ted Hughes's rendition lends the dialogue a particularly modern terseness and bite drawing out all the erotic energy of the original
