Go and Do Likewise William Spohn, 2000-09-01 What does Jesus have to do with ethics There are two brief answers given by believers everything and not much While evangelical or fundamentalist Christians would find authoritative guidance in the words and commands of Jesus as recorded in the New Testament many mainstream Christian ethicists would say that Jesus is too concrete or narrowly particular to have any direct import for ethics In this book Williams Spohn takes a middle way showing how Jesus is the concrete universal of Christian ethics By forming a bridge from the lives of contemporary Christians to the words and deeds of Jesus Jesus story as a whole exemplifies moral perception motivation and Christian identity In addition Spohn shows how the practices of Christian spirituality specifically prayer service and community train the imagination and reorient emotions to produce a character and a way of life consonant with Christian New Testament moral teaching

McGrath, 2006-11-23 Noting the important parallels between scientific theory and Christian doctrine McGrath offers a sustained defense of the necessity of doctrine within Christian theology against those who argue for a non dogmatic Christianity The approach developed within this volume builds on the work of writers such as Heidegger and Habermas and argues that theory is to be conceived in terms of the communal beholding of reality The many theoretical issues to be addressed in this volume include the manner in which closure is secured in theological theorizing the implications of the stratification of reality for its representation the place of metaphysics in Christian theology and the nature of revelation itself Viewed as a whole Theory represents a fresh evaluation of the origins and place of theory in Christian theology which is certain to provoke discussion and debate This third volume completes the A Scientific Theology series A Scientific Theology is a groundbreaking work of systematic theology in three volumes Nature Reality and Theory Now available as a three volume set Soul Recreation Tom Schwanda, 2012-04-11 Spiritually there is a great hunger today for contemplative and more satisfying experiences with God Puritanism might seem to be an unlikely source for this yet few groups in the history of Christian spirituality have written more extensively or wisely on the subject Isaac Ambrose 1604-64 a relatively forgotten English Puritan developed a theological foundation for the spiritual life based upon the Christian's intimate union with Christ which the Puritans often called spiritual marriage Schwanda demonstrates that this vibrant relationship of union and communion with Jesus inspired by the Holy Spirit was manifested in a deep contemplative piety of

gazing lovingly and gratefully upon God At the same time Ambrose did not neglect loving his neighbors This study reveals how heavenly meditation was one of the significant practices engaged by Ambrose to cultivate spiritual intimacy and enjoyment of God Further his experiential reading of Scripture in particular the Song of Songs provided him with a language of ravishment and delight in God This book provides a distinctively Protestant foundation for recovering the contemplative life while recognizing the significant contributions of the Western Catholic tradition **Becoming Good, Becoming Holy**
