Federal Parole Decision-making ,1978 Federal Parole Decision-making: No title ,1984 *Guide to Available Mathematical Software* Ronald F. Boisvert,Sally E. Howe,David K. Kahaner,1984 **The Great Merger Movement in American Business, 1895-1904** Naomi R. Lamoreaux,1988-04-29 Between 1895 and 1904 a great wave of mergers swept through the manufacturing sector of the U S economy In *The Great Merger Movement in American Business* Lamoreaux explores the causes of the mergers concluding that there was nothing natural or inevitable about turn of the century combinations *Pattern Recognition Approach to Data Interpretation* Diane Wolff,2012-12-06 An attempt is made in this book to give scientists a detailed working knowledge of the powerful mathematical tools available to aid in data interpretation especially when confronted with large data sets incorporating many parameters A minimal amount of computer knowledge is necessary for successful applications and we have tried conscientiously to provide this in the appropriate sections and references Scientific data are now being produced at rates not believed possible ten years ago A major goal in any scientific investigation should be to obtain a critical evaluation of the data generated in a set of experiments in order to extract whatever useful scientific information may be present Very often the large number of measurements present in the data set does not make this an easy task The goals of this book are thus fourfold The first is to create a useful reference on the applications of these statistical pattern recognition methods to the sciences The majority of our discussions center around the fields of chemistry geology environmental sciences physics and the biological and medical sciences In Chapter IV a section is devoted to each of these fields Since the applications of pattern recognition techniques are essentially unlimited restricted only by the outer limitations of *Cancer Treatment Reports* ,1985 **Dynamics of Cholinergic Function** Israel Hanin,2013-03-09 This book incorporates the proceedings of the Fifth International Cholinergic Conference which took place in Oglebay Park West Virginia USA on October 30th to November 4th 1983 A scenic forty five minute ride from the City of Pittsburgh surrounded by championship golf courses luxurious woods and a picturesque lake Oglebay provided relaxed and beautiful surroundings conducive to contemplation stimulating discussions and thought provoking scientific sessions Over 160 individuals from all over the world participated in the sessions The meeting was subdivided into oral presentations round table discussions and poster sessions and centered upon ten key topics of cholinergic relevance see Table of Contents Following in the tradition of the four International Conferences which had preceded this one the Conference featured the most up to date developments in the area of cholinergic mechanisms and provided for ample and productive discussion of new fields and directions in this area Moreover both senior investigators in the field as well as recent newcomers to this sphere of investigation participated in the proceedings This book touches on a wide array of mechanisms and applications from the preclinical to the clinical level It should thus be useful as a comprehensive resource with the cholinergic system as a focal hub The Conference could not have been as successful as it turned out to be without

the support of a number of important contributors Corpus Linguistics ,2022-04-25 **The Physical Attractiveness Phenomena** Gordon L. Patzer,2012-12-06 Physical attractiveness phenomena permeate society with somber ramifications Correspondingly practical applications of physical attractiveness phenomena are extensive The consequence is that almost every person can benefit from knowledge about research on physical attractiveness Such research material provides valuable information for persons established in their careers as well as those preparing for a career Similarly parents at all stages of their life cycle should be cognizant of how physical attractiveness impacts the psychological and physiological development of children Because no one is isolated from physical attractiveness phenomena knowledge of this material should be imperative for everyone This book consolidates research that specifically addresses physical attractiveness The first summary was a classic review presented over 10 years ago Berscheid Walster 1974 Since then the research literature has continued to grow but no comprehensive review has again been published Even though research summaries have been presented in a compilation of psychological abstracts Cash 1980 and in a discussion of stereotyping literature Adams 1982 the study of physical attractiveness phenomena is due for a comprehensive account and an analysis of the extensive divergent research
