H. Spurgeon, Volume 67** Spurgeon, Charles H., Volume 67 Autobiography Diary Letters and Records Volume 2 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church's most famous preachers and Christianity's foremost prolific writers Called the Prince of Preachers he was one of England's most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon's messages to be among the best in Christian literature Edward Walford wrote in *Old and New London* Volume 6 1878 quoting an article from the Times regarding one of Spurgeon's meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To

the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon *The Doctrines of Grace from the Lips of Our Lord* J. D. Watson,2012-07-18 The doctrine of salvation is the watershed doctrine of Scripture Flowing from that doctrine will be not only all other doctrine but also personal practice and Christian ministry The major controversy concerning salvation is whether it is a result of the sovereign grace of God alone or a mixture of God s part and man s part Addressing that issue is absolutely critical to the very foundations of Christianity itself Whichever one of those premises is correct we should expect to find it everywhere we look in Scripture and that is precisely what we find There is no truth that permeates the Bible more than the doctrines of God s sovereign grace From Genesis to Revelation in literally hundreds of verses these doctrines call capture and command our attention Of the many books of the Bible we could choose the Gospel of John is among the most compelling because of its foundational nature It is there we find some of the most profound teaching on the Doctrines of Grace in all Scripture Examining more than one hundred verses in John this small volume presents these great biblical and historical doctrines directly from the lips of our Lord **Acts: An Exegetical Commentary : Volume 1** Craig S. Keener,2012-09-01 Highly respected New Testament scholar Craig Keener is known for his meticulous and comprehensive research This commentary on Acts his magnum opus may be the largest and most thoroughly documented Acts commentary available Useful not only for the study of Acts but also early Christianity this work sets Acts in its first century context In this volume the first of four Keener introduces the book of Acts particularly historical questions related to it and provides detailed exegesis of its opening chapters He utilizes an unparalleled range of ancient sources and offers a wealth of fresh insights This magisterial commentary will be a valuable resource for New Testament professors and students pastors Acts scholars and libraries [Themelios, Volume 43, Issue 1](#) D.
