The Gospel of the Kingdom Charles Haddon Spurgeon, 1893 *Spurgeon on Revival* Eric W. Hayden, 2018-04-25 Mr Hayden points out that the key to the revival which arose under Spurgeon's ministry and went on almost continuously throughout his long and fruitful pulpit career is to be found in Spurgeon's autobiography There Spurgeon reveals and credits the membership of his new Park Street Chapel and their earnest all out prayer for his success in the ministry This documented study of Spurgeon's emphasis upon and attitude toward revival will reward today's reader with insight into and understanding of our need for revival today and the only source from which this revival can come A prayerful reading of these pages could well result in renewed and revitalized Christian living among God's people today **A People of One Book** Timothy Larsen, 2011-01-27 This book vividly recovers the lost world of the Victorians in which everyone thought spoke and argued through scripture Larsen presents lively individual case studies of well known figures from different religious and sceptical traditions including Florence Nightingale T H Huxley C H Spurgeon and Catherine Booth **The Publishers Weekly**, 1962-10 *The Publishers' Trade List Annual*, 1899 [American Book Publishing Record](#), 1995 [Rebuilding the Walls](#) James Kelly, 2020-06-22 There are few situations in the life of a church that are more disruptive or destructive than the presence of sin in the life of its membership especially the leadership Too often we see the presence of sin as a fatal situation Yet sin properly dealt with rather than destroying the church or those involved may become a catalyst for growth both for the church body and those involved in whatever sin is present Christ and the apostle Paul laid out instructions for taking the presence of sin challenging those involved and restoring their walk with Christ Therefore we must if we consider ourselves as a spiritual people resolve to restore those impacted by sin and see them resume their walk with Christ Gal 6 1

Spurgeon, 2015 This Popular Exposition of the Gospel According to Matthew was the last work written by C H Spurgeon and was published posthumously the year after his death During two previous winters in the South of France a great part of dear Mr Spurgeon s leisure had been devoted to the production of this Commentary wrote Mrs C H Spurgeon in her introductory note to the volume and it bears much internal evidence of the brightness of the sunny shore where it was written She went on to add that till within a few days of the termination of his lovely and gracious life he was incessantly occupied in expounding this portion of God s Word The emphasis of this exposition as may be seen from its title is the Kingdom of God and most importantly the King Himself the Lord Jesus Christ Our Saviour King has come to save real sinners Spurgeon declares He deals not with our merits but with our demerits There would be no need to save us if we were not lost To this reprint of the original Passmore and Alabaster edition of 1893 the publishers have added a treasure trove of previously unpublished letters and book reviews of C H Spurgeon from private collections some of which are reproduced in color and all with transcriptions and pertinent historical comment from book jacket flap [The Complete Works of C.
