## **Spy In The Vatican:**

**Spy in the Vatican, 1941-45** Branko Bokun, 1973 *Spy in the Vatican 1941-45* is an autobiographical writing by author Branko Bokun. It was first published in 1973 in the U.K. by Tom Stacey and in the USA by Praeger. The book is about Bokun's experiences in wartime Rome working for the Red Cross and includes a collection of anecdotes on rulers and the ruled and on the half world of spies and counter spies. Wikipedia *Vatican Spies* Yvonnick Denoël, 2024-12-05 Officially the Vatican has no espionage service but does that mean that no one carries out intelligence operations on its behalf? During the Second World War and Cold War Rome was awash with spies. In response under the cover of the Secretariat of State a band of monsignors and priests hunted for moles spying on the Vatican, carried out clandestine diplomacy, investigated the assassination of priests and other scandals threatening the Church and conducted high risk missions across the Iron Curtain. Drawing on the freshly released archives of foreign services that worked against or with the Holy See, *Vatican Spies* reveals eighty years of secret wars and dirty tricks. These include infiltrating Russian speaking priests into the Soviet Union, secret negotiations between John XXIII and Khrushchev, the close relationship between Cardinal Montini, the future Paul VI, and the CIA, infiltration of the Vatican by the Eastern Bloc's intelligence services and the secret Vatican bank funds that were channelled first to fight communism in South America then to support Solidarity in Poland. Denoël also investigates the internecine struggles between the Jesuits and Opus Dei and deciphers the machinations that marked the pontificate of Benedict XVI which are still ongoing under Pope Francis today. **Spies in the Vatican** David J. Alvarez, 2002 Ranging across two centuries of world history, Alvarez's fascinating study throws open the Vatican's doors to reveal the startling but little known world of espionage in one of the most sacred places on earth. **The Entity** Eric Frattini, 2024-07-02 International Bestseller Meticulously documented, Frattini gives us an exclusive look at the hidden face of the papacy, revelations that send a chill up the spine. *Le Monde* For five centuries the Vatican, the oldest organization in the world, maker of kings and shaper of history, has used a secret spy service called the Holy Alliance or later the Entity to carry out its will. Forty popes have relied on it to carry out their policies. They have played a hitherto invisible role confronting de Christianizations and schisms, revolutions and dictators, colonizations and expulsions, persecutions and attacks, civil wars and world wars, assassinations and kidnappings. For the first time in English, following the bestselling Spanish and French editions, Eric Frattini tells the comprehensive tale of this sacred secret service. The Entity has been involved in the killings of monarchs, poisonings of diplomats, financing of South American dictators, protection of war criminals, laundering of Mafia money, manipulation of financial markets, provocation of bank failures and financing of arms sales to combatants even as their wars were condemned, all in the name of God. The contradiction between God's justice and Earth's justice, Christian beliefs and Christian power, all fall before the motto of the Entity: With the Cross and the Sword. A true story that surpasses any novel by John le Carré. *El País* Spain An investigation worthy of a Pulitzer, Frattini puts all the secrets of the Vatican out on the table.

*Spying Through a Glass Darkly* David Alvarez, Eduard Mark, 2016-01-31 For the period between World War II and the full onset of the Cold War histories of American intelligence seem to go dark Yet in those years a little known clandestine organization the Strategic Services Unit SSU emerged from the remnants of wartime American intelligence to lay the groundwork for what would become the CIA and in ways revealed here for the first time conduct its own secret war of espionage and political intrigue in postwar Europe Telling the full story of this early and surprisingly effective espionage arm of the United States *Spying through a Glass Darkly* brings a critical chapter in the history of Cold War intelligence out of the shadows Constrained by inadequate staff and

limited resources distracted by the conflicting demands of agencies of the U S government and victimized by disinformation and double agents the Strategic Services Unit struggled to maintain an effective American clandestine capability after the defeat of the Axis Powers Never viscerally anti communist the Strategic Services Unit was slow to recognize the Soviet Union as a potential threat but gradually it began to mount operations often in collaboration with the intelligence services of Britain France Italy Denmark and Sweden to throw light into the darker corners of the Soviet regime Bringing to bear a wealth of archival documents operational records interviews and correspondence David Alvarez and Eduard Mark chronicle SSU s successes and failures in procuring intelligence on the capabilities and intentions of the Soviet Union a chronicle that delves deeply into the details of secret operations against Soviet targets throughout Europe not only in the backstreets of the divided cities of Berlin and Vienna but also the cafes hotels offices and salons of such cosmopolitan capitals as Paris Rome Budapest Prague and Warsaw A remarkable account of a clandestine war of espionage kidnappings blackmail disinformation and political subversion Spying through a Glass Darkly also describes the quantity and quality of intelligence collected by SSU and disseminated to its customers in the U S government information that would influence the attitudes and actions of decision makers and as the Cold War evolved the course of the nation in a new and dangerous world     Church of Spies Mark Riebling,2015-09-29 The heart pounding history of how Pope Pius XII often labeled Hitler s Pope was in fact an anti Nazi spymaster plotting against the Third Reich during World War II The Vatican s silence in the face of Nazi atrocities remains one of the great controversies of our time History has accused wartime pontiff Pius the Twelfth of complicity in the Holocaust and dubbed him Hitler s Pope But a key part of the story has remained untold Pope Pius in fact ran the world s largest church smallest state and oldest spy service Saintly but secretive he sent birthday cards to Hitler while secretly plotting to kill him He skimmed from church charities to pay covert couriers and surreptitiously tape recorded his meetings with top Nazis Under his leadership the Vatican spy ring actively plotted against the Third Reich Told with heart pounding suspense and drawing on secret transcripts and unsealed files by an acclaimed author Church of Spies throws open the Vatican s doors to reveal some of the most astonishing events in the history of the papacy Riebling reveals here how the world s greatest moral institution met the greatest moral crisis in history     **The Spy Who Spent the War in Bed** William B. This book draws on personal interviews official archives and declassified documents as well as the vast literature on World War II     How the Catholic Church Became Naughty...And Where the Real Hindrance to Reform Lies Jack

Doherty,2015-10-31 The cardinals and bishops of the Catholic Church have been naughty for centuries Why can't they practice what they preach At Christmastime 2014 Pope Francis scolded them for their vanity hypocrisy back biting gossiping boasting lust for power and control and acting like Lords of the Manor This book is an expansion on Pope Francis's admonition to his inner governing circle the Vatican Curia tracing this naughtiness from the time of Emperor Constantine who converted to Christianity in the early 4th century and gave the Church palaces basilicas riches and a noble lifestyle It is a short journey throughout the lascivious and corruption filled history of these church leaders their torture of non believers selling of indulgences and church offices concubinage partnering with evil kings and rulers ending with the 20th century Vatican Bank frauds the money laundering for Mafia and Mason crimes the betrayal of the Church and the sexual abuse of children scandal These popes cardinals and bishops of the Catholic Church are and have been the Real Hindrance to Reform with their peculiar Vatican mindset of clericalism arrogance and exaggerated self estimation of their superiority over everyone and everything It has been evolving for 1700 years This short book is not a denunciation of the Catholic Church but a ray of hope that the Vatican will make the deep changes that are necessary for survival of Catholicism Only a priesthood that includes married celibate male and female priests with a non clerical mindset will bring about the needed reform of the Catholic Church not the Pope alone nor the regressive Vatican mindset of clericalism ingrained in present day church leaders
