Weisbord, Wallace P. Sillanpoa, 2011-12-31 In February 1945 Israele Zolli chief rabbi of Rome s ancient Jewish community shocked his co religionists in Italy and throughout the Jewish world by converting to Catholicism and taking as his baptismal name Eugenio to honor Pope Pius XII Eugenio Pacelli for what Zolli saw as his great humanitarianism toward the Jews during the Holocaust Almost a half a century after his conversion Zolli still evokes anger and embarrassment in Italy s Jewish community This book is the first authoritative treatment of this astonishing story What induced Zolli to embrace Catholicism will probably never be known Nonetheless by painstaking scholarly detective work through interviews in Italy and elsewhere through the unearthing of private papers not previous known to exist and through the study of previous inaccessible archival materials the authors have succeeded in explaining why Zolli left the Jewish fold and joined the Catholic Church Like Zolli s rabbinical career Pius XII s long pontificate tells us much about the Church of Rome and its relationship to the Jewish people particularly with reference to the issue of conversion The authors focus on the pontiff s World War II policies vis vis the Jews a subject that has been heatedly debated since Rolf Hochhuth s *The Deputy* was performed in the early 1960s What Pacelli knew about the extermination of the Jews and when he knew it what he said and failed to say are given special attention in this book Through the examination of previous scholarship and primary materials including Pius XI s encyclical on race and anti Semitism Pacelli s behavior is evaluated to determine if Zolli accurately gauged the Holy Father s efforts to save Jews This saga of the two Eugenios will interest historians of the Second World War and the Holocaust and students of history alike *Ireland and the Vatican* Dermot Keogh, 1995 A comprehensive examination of the complex triangular relationship between the Irish government the bishops and the Holy See from the origins of the Irish State in 1922 to the end of the de Valera government *The Independent State of Croatia 1941-45* Sabrina P. City in Terror Victor Failmezger, 2020-09-17 Victor Failmezger's passion for the city of Rome is matched by his extensive knowledge of its dark recent past Joshua Levine author of Dunkirk The History Behind the Major Motion Picture In September 1943 following wave upon wave of Allied bombing Italy announced an armistice with the Allies Shortly afterwards the German army disarmed Italian forces and despite military and partisan resistance quickly overran Rome Rome City in Terror is a comprehensive history of the nine month long German occupation of the city that followed The Gestapo wasted no time enforcing an iron grip on the city once the occupation was in place They swiftly eliminated the Carabinieri the Italian paramilitary force rounded up thousands of Italians to build extensive defensive lines across Italy and at 5am one morning arrested more than 1 000 Roman Jews and sent them to Auschwitz Resistance however remained strong To aid the thousands of Allied POWs who escaped after the dissolution of the Italian army priests diplomats and escaped ex POWs operating out of the Vatican formed a nationwide organization called the Escape Line More than 4 000 Allied POWs scattered all over Italy were sheltered clothed and fed by these courageous Italians whose lives were forfeit if their activities were discovered Meanwhile as food became scarce and the Gestapo began to raid on homes and institutions Italian partisan fighters launched attack after attack on German military units in the city with the threat of execution never far away This is the compelling story of an Eternal City brought low of the terror and hardship of occupation and of the disparate army of partisan fighters displaced aristocrats Vatican priests Allied POWs and ordinary citizens who battled for the liberation of Rome **The Pius War** Joseph Bottum, David G. Dalin, 2004-11-09 In the brutal fight that has raged in recent years over the reputation of Pope Pius XII leader of the Catholic Church during World War II the Holocaust and the early years of the Cold War the task of defending the Pope has fallen primarily to reviewers These reviewers formulated a brilliant response to the attack on Pius but their work was scattered in various newspapers magazines and scholarly journals making it nearly impossible for the average reader to gauge the results In The Pius War Weekly Standard's Joseph Bottum has joined with Rabbi David G Dalin to gather a representative and powerful sample of these reviews deliberately chosen from a wide range of publications Together with a team of professors historians and other experts the reviewers conclusively investigate the claims attacking Pius XII The Pius War and a detailed annotated bibliography that follows will prove to be a definitive tool for scholars and students destined to become a major resource for anyone interested in questions of Catholicism the Holocaust and World War II God's Bankers Gerald Posner, 2015-09-15 From a master chronicler of legal and financial misconduct a magnificent investigation nine years in the making this book traces the political intrigue and inner workings of the Catholic Church Decidedly not about faith belief in God or religious doctrine this book is about the church's accumulation of wealth and its byzantine entanglements with financial markets across the world Told through 200 years of prelates bishops cardinals and the Popes who oversee it all Gerald Posner uncovers an eyebrow raising account of money and power in perhaps the most influential organization in the history of the world God's Bankers has it all a rare exposé and an astounding saga marked

by poisoned business titans murdered prosecutors mysterious deaths of private investigators and questionable suicides a carnival of characters from Popes and cardinals financiers and mobsters kings and prime ministers and a set of moral and political circumstances that clarify not only the church's aims and ambitions but reflect the larger dilemmas of the world's more recent history And Posner even looks to the future to surmise if Pope Francis can succeed where all his predecessors failed to overcome the resistance to change in the Vatican's Machiavellian inner court and to rein in the excesses of its seemingly uncontrollable financial quagmire Part thriller part financial tell all this book shows with extraordinary precision how the Vatican has evolved from a foundation of faith to a corporation of extreme wealth and power **National Union**

O'Reilly, 2001-01-01 Italy's War of Liberation takes issue with the apparently prevalent attitude among Allied commanders during World War II that the Italian military was ineffective O'Reilly recounts the little known story of the significant contribution made by the Italian military during the Italian Campaign including the contribution of relatively unacknowledged Italian Partisan formations that fought in Italy France Yugoslavia and Greece Despite the fact that Italians fought on the front lines with the British and American soldiers and despite the service of the Italian Navy and Air Force the Allies refused repeated Italian pleas for more involvement in combat This book not only attempts to correct the record of military history by illustrating the ways in which the Italians were underutilized by the Allies but it also serves to paint a fair portrait of the Italian military's substantial efforts to defeat Hitler and eradicate Fascism **Library of Congress Catalog** Library of Congress, 1970 *Book Review Digest* Leslie Dunmore-Leiber, 1976 *Bookseller and the Stationery Trades' Journal*, 1973 *American Book Publishing Record*, 1977-03-31 Here's quick access to more than 490 000 titles published from 1970 to 1984 arranged in Dewey sequence with sections for Adult and Juvenile Fiction Author and Title indexes are included and a Subject Guide correlates primary subjects with Dewey and LC classification numbers These cumulative records are available in three separate sets **The Catholic Historical Review**, 1977 *Book Review Index*, 1965 Every 3rd issue is a quarterly cumulation
