Squandered Fortune The Life And Times Of Huntington Hartford:

Squandered Fortune Lisa Rebecca Gubernick,1991-01-01 Presents the story of Huntington Hartford formerly one of the richest men in America who became a spendthrift accustomed to the fast lane and who now lives in poverty in a decrepit Manhattan townhouse [The New York Times Book Review](#) ,1991 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback [American Philanthropy at Home and Abroad](#) Ben Offiler,Rachel Williams,2022-08-11 American Philanthropy at Home and Abroad explores the different ways in which charities voluntary associations religious organisations philanthropic foundations and other non state actors have engaged with traditions of giving Using examples from the late eighteenth century to the Cold War the collection addresses a number of major themes in the history of philanthropy in the United States These examples include the role of religion the significance of cultural networks and the interplay between civil diplomacy and international development as well as individual case studies that challenge the very notion of philanthropy as a social good Led by Ben Offiler and Rachel Williams the authors demonstrate the benefits of embracing a broad definition of philanthropy examining how American concepts including benevolence and charity have been used and interpreted by different groups and individuals in an effort to shape and at least nominally to improve people s lives both within and beyond the United States *Inherited Risk* Jeffrey Meyers,2015-08-07 An extraordinary father son biography of the scandalous life of movie star Errol Flynn and of his son s equally glamorous yet doomed career as a war photographer in Vietnam **Hughes** Richard Hack,2002-09-02 Howard Hughes 1905 1976 was a true American original legendary lover record setting aviator idiosyncratic film producer talented inventor ultimate eccentric and for much of his lifetime the richest man in the United States His desire for privacy was so fierce and his isolation so complete that even several decades after his death inaccurate stories continue to circulate about him Richard Hack explodes the illusion of Hughes life and exposes the man behind the myth a playboy whose sexual exploits with Hollywood stars were legendary an entrepreneur without ethics an explorer without maps and ultimately an eccentric trapped by his own insanity Drawing on secreted letters declassified FBI files autopsy reports more than 110 000 pages of court testimony and exclusive interviews Hack reveals a man so devious in his thinking and so perverse in his desires that his impact continues to be felt even today From entertainment to politics aviation to espionage the author shows how and why Howard Hughes left an indelible and unique mark on the American cultural landscape *Carole Landis* Eric Gans,2010-01-06 Despite appearing in twenty eight movies in little over a decade Carole Landis 1919 1948 never quite became the major Hollywood star her onscreen presence should have afforded her Although she acted in such enduring films as A Scandal in Paris and Moon over Miami she was most often relegated to supporting roles Even when she played the major role in a feature as she did in The Powers Girl and the film noir Wake Up Screaming she was billed second or third behind other actors This biography traces Landis s life

chronicling her beginnings as a dance hall entertainer in San Francisco her career in Hollywood and abroad her USO performances and ultimately her suicide Using interviews with actors who worked with Landis contemporary movie magazines and journals and correspondence biographer Eric Gans reveals a tragic figure whose life was all too brief Landis's big break came in 1940 with Hal Roach's *One Million B.C.* She appeared in thirteen Twentieth Century Fox pictures between 1941 and 1946 In 1942-1943 Landis entertained troops in England and North Africa in the only all female USO tour The trip led to her memoir *Four Jills in a Jeep* and a Fox movie of the same title After her last American film in 1947 she completed two projects in England while having an affair with married actor Rex Harrison Tormented by a love that could not lead to matrimony and depressed about growing older she took a fatal drug overdose on July 5, 1948 [James Agee in Context](#)

Michael A. Lofaro, 2023-01-17 It's difficult to overestimate the impact of the many new works by James Agee uncovered and published in the last twenty years These previously unknown primary works have in turn encouraged a parallel explosion of critical evaluation and reevaluation by scholars to which *James Agee in Context* is the latest contribution This superb collection from well known James Agee scholars features myriad approaches and contexts for understanding the author's fiction poetry journalism and screenwriting The essays bring the reader from the streets of James Agee's New York to travel with the author from Alabama to Hollywood to Havana Contributors explore overlapping and sometimes unique subjects themes and accomplishments or lack thereof in Agee's uncovered works and highlight the diversity of interest that Agee's complete body of work inspires The insightful scholarship on influence examines connections between Agee and Wright Morris Helen Levitt John Dos Passos Ernest Hemingway and Stephen Crane Such juxtapositions serve to illustrate how Agee drew on literary influences as a young man how he used his work as a journalist to craft fiction as he was about to turn thirty and his influence upon others The volume concludes with three poems and a short story by Agee all previously unknown It seems astonishing that so much remains to be discovered about this protean author his materials and his circle Yet the recovery and analysis of neglected texts and information mined from newspapers and magazines proves the extent to which Agee kept his mind and his work as he himself put it patiently concentrated upon the essential quietudes of the human soul

movie never been made For extended periods of her life she was paralyzed by personal suffering yet did her greatest creative achievement emerge from that pain Veda Tebbs Hale a personal friend of the paradoxical novelist answers these questions with sympathy and tact nailing each insight down with thorough research in Whipple s vast but under utilized collected papers By her mastery of Whipple s letters diaries exhaustive oral histories and draft after draft of unrealized dreams Veda Hale bring a novelist s life into focus Exasperating dazzlingly creative courageous brave frequently misguided Maurine Whipple emerges in this biography as an unforgettable character in her own right *Biography*, 1991 Unpacked Blake C. Scott, 2022-11-15 Unpacked offers a critical novel perspective on the Caribbean s now taken for granted desirability as a tourist s paradise Dreams of a tropical vacation have become a quintessential aspect of the modern Caribbean as millions of tourists travel to the region and spend extravagantly to pursue vacation fantasies At the beginning of the twentieth century however travelers from North America and Europe thought of the Caribbean as diseased dangerous and according to many observers the white man s graveyard How then did a trip to the Caribbean become a supposedly fun and safe experience Unpacked examines the historical roots of the region s tourism industry by following a well traveled sea route linking the US East Coast with the island of Cuba and the Isthmus of Panama Blake C Scott describes how the cultural and material history of US imperialism became the heart of modern Caribbean tourism In addition he explores how advances in tropical medicine perceptions of the tropical environment and development of infrastructure and transportation networks opened a new playground for visitors
