Devotional Journal Living Stephen Kyeyune, 2015-05-08 Each person is an enigma. You're a puzzle, not only to yourself but also to everyone else, and the great mystery of our time is how we penetrate this puzzle. We are social animals, and unless we engage God, we can never resolve and understand the truth that lies at the bottom of an enigma of interdependence, relationship. A legendary poet wrote, "People are fascinating. They're so unique, and I think what's more fascinating is the reason behind the physical characteristic, the enigma that's where the gold dust is." Life is never a mystery and a harmful enigma unless we try to interpret it from our human brand or perspective as though it had no underlying truth. The reality is that every person believes in something, be it true or false. Our beliefs modify our behavior. I have put together this journal for you with epic passion, projecting the phenomenal person that God intended you to be. Wrong perception of life issues makes man a wrong person. It is my prayer that by reading this book, you will be enlightened and inspired to solve the puzzle of life from the perspective of the Creator of life. Certainly, the most important thing that God can give to us is the truth about life. God created us to live passionately but not passively. That is why he instructed us to love him with all our hearts and to love our neighbors as we love ourselves.
