*A Squirrel's Tale* Richard Wyn Jones, 2014-06-01 The forests of South West Scotland are home to the last major colony of red squirrels in Britain As long as time itself a natural order has governed this peaceful squirrel population It is their steadfast belief that The Lord of the Sky the Maker of all things watches over them and their reverent understanding that nature s way is his will To most squirrels their world operates in a basically benign fashion It can be fierce competitive even hazardous at times but this occurs only out of necessity and represents an essential condition of existence Rusty a loner and orphaned juvenile red squirrel however is not content Deep down he feels that the Lord of the Sky has ordained a special purpose for him In his vivid dreams he constantly challenges the Lord of the Sky to reveal his calling Many squirrels view him as strange and eccentric so he spends much of his time away from the Clan One spring morning the diminutive Rusty is exploring the farthest part of the forest where a small group of Reds have recently settled Undetected he witnesses their brutal murder by a bloodthirsty band of grey squirrels Abaddon their ferocious leader has brought his hordes of Greys North his aim to kill all red squirrels once and for all Rusty must warn the main Clan Outnumbered they will have to overcome all odds and fight for the very survival of their species
