MONEY BASIC FOR EVERYDAY PEOPLE was created from a desire that all Americans should have the opportunity to acquire their own personal fortunes and live their dreams It is not our lack of effort and hard work that keeps us from having our wealth The problem is that most people lack the knowledge to make their money work for them Since money principles are not emphasized in schools and most financial books are too complicated and detailed in content people never learn the basics The American savings rate has been in decline for the last 65 years and millions of hard working couples are now retiring at or just above the poverty level This book is designed to give basic money information that everyday people can understand and really put to use The purpose of MONEY BASIC for EVERYDAY PEOPLE is to provide simple and useable ideas about money concepts that may have been hidden from you This book will offer insights into how money works that your families friends neighbors and co workers do not know You will learn that you don t have to be a financial wizard to make your money work harder Below are a few examples Would you like a bigger tax refund check Would you like to know how to save for 6 years and you could possibly have your retirement Would you like to save hundreds of dollars on your insurance premiums Would you like to know more than most people in America about money Would you like to finally have your EYES WIDE OPENED to the mystique of finance These pages are full of proven concepts and ideas to help you achieve your financial goals I have purposely concentrated only on the most important topics that will explain how to make your money work harder What you will need to learn is condensed into just FIVE SIMPLE STEPS that will be easy to understand and put into use everyday By learning and using the FIVE SIMPLE STEPS that are explained in these chapters you can achieve financial freedom *Turks & Caicos Business Law Handbook Volume 1 Strategic Information and Basic Laws* IBP USA,
