Teach Yourself Stalin's Russia:

Stalin's Russia: Teach Yourself Ebook David Evans, 2012-04-06 Understand Stalin's Russia is a compelling introduction to a man and a nation long enveloped in mystery. It covers all aspects of this fascinating history from the shadows of Tsarism and the legacy of Lenin to the implications of Stalin's rule including the horrific effects of the five year plans and the heroic but costly triumph in the Great Patriotic War. *Stalin's Russia* David Evans, 2005 **Teach Yourself Stalin's Russia**

David Evans, 2005-02 The Teach Yourself History series offers a refreshing alternative to dense academic historical books, its content being extensive yet written in an accessible and engaging style. All titles in this series are informative and compelling. Assuming no prior historical knowledge and full of anecdotes and fascinating details, these books will keep the reader hooked from beginning to end. Teach Yourself Stalin's Russia considers the conditions into which the infamous dictator was born and grew up, the state of the Russian people, the shadows of Tsarism, the revolutionary tradition and the legacy of Lenin. With a clear understanding of this background, the reader is able to comprehend Stalin's rise to supremacy, the power struggle between Stalin and Trotsky, and the many factors that enabled Stalin to become the sole command. Collectivization and de-Kulakization are objectively considered and brought to life by anecdotes and personal details. So too are the instruments of terror and tyranny, the political purges, and Stalin's foreign policy which forced Russia into the largest and most costly war in history. The aftermath of the Second World War is addressed in light of the ensuing Cold War, how the Soviet Union became a nuclear power, and the intensification of tensions between the East and West. Such an extensive, shocking, and dramatic history is told with engaging objectivity that will arouse the reader's interest and compassion. **Understand the Second**

World War: Teach Yourself Alan Farmer, 2010-08-27 Understand the Second World War will show you how one of the most important events in history developed, charting the main military campaigns and examining the path to Allied victory and its impact on the countries involved. Full of anecdotes and details which provide a personal appeal, it serves as an accessible introduction to one of the most important, tragic, and costly events in history. NOT GOT MUCH TIME. One five and ten minute introductions to key principles to get you started.
