Teacher Box Includes A Mini Chalkboard And More:

Teacher ,1978 **Teaching English in Africa** Anderson, Jason,2016-04-30 Teaching English in Africa is a practical guide written for primary and secondary school teachers working all over the continent This book relates the practice of English language teaching directly to the African context As well as covering the underlying theory of how children learn languages and how teachers can best facilitate this learning it also provides practical resources and ideas for activities and techniques that have proved successful in English classrooms in Africa both at primary and secondary level It is intended to be a practical guide so references and citations are kept to a minimum and concepts are presented using examples that are likely to be familiar to most teachers working in Africa If there is a bias in this book it is towards the needs of teachers working in low resource isolated contexts in Africa as these teachers are so often neglected by literature on teaching methodology Instructor ,1978 **The English Teacher's Survival Guide** Mary Lou Brandvik,Katherine S.

McKnight,2011-03-01 Problem solving techniques for all aspects of the English teacher s job This unique time saving book is packed with tested techniques and materials to assist new and experienced English teachers with virtually every phase of their job from lesson planning to effective discipline techniques The book includes 175 easy to understand strategies lessons checklists and forms for effective classroom management and over 50 reproducible samples teachers can adopt immediately for planning evaluation or assignments It is filled with creative and functional ideas for reading response activities writing assignments group and individual projects and speeches Offers instructions for creating and implementing an effective classroom wide behavior management program Shows how to practice the art of teaching English effectively and reduce time on labor intensive tasks Reveals how to work effectively with parents colleagues substitute teachers administrators and community resources The second edition includes coverage of technology in the classroom advice for working with reluctant readers a wealth of sample teaching units and more **Math Teacher's Survival Guide: Practical Strategies,**

Management Techniques, and Reproducibles for New and Experienced Teachers, Grades 5-12 Judith A.

Muschla,Gary R. Muschla,Erin Muschla,2010-03-08 Classroom tested strategies to help new and experienced math teachers thrive Math teachers must not only instruct their students in basic mathematical skills and concepts they must also prepare them for standardized tests provide instruction in the use of technology and teach problem solving and critical thinking skills At the same time they must also manage their other responsibilities taking attendance planning grading record keeping disciplining and communicating with parents and administrators This book provides efficient and practical information on the management skills necessary to succeed in this most challenging profession Offers realistic suggestions and strategies for planning and delivering effective math instruction Helps math teachers achieve excellence and continue to be enthusiastic and successful in their teaching careers Includes reproducible forms to help math teachers stay on top of everything they need to do The Math Teacher s Survival Guide contains a wealth of useful tools and strategies that can help any math teacher

succeed in the classroom **No More Theories Please!** L. K. Masao,2009 No More Theories Please is a classroom management guide for current and prospective elementary classroom teachers Unlike many other education texts this book does not speak in theoretical terms Rather it provides a how to guide that clearly defines each strategy and procedure Masao discusses the 3 Rs of management routines rules and reinforcement as well as behavior management plans and organizations The book is divided into three parts organization routines rules and reinforcement and classroom behavior management systems Each part has three or four chapters and provides tangible and pragmatic steps that can be taken to create the desired structured environment Some chapters provide templates for management systems that the author created and implemented successfully in her own classroom From publisher s description **First Grade Teacher's Month-by-month Activities Program** Elizabeth Crosby Stull,1990 This book provides more than 500 exciting classroom tested reading math and science activities and reproducibles organized by month for easy use Space and Equipment for Homemaking Programs Ata Lee,1950 Educational Programs that Work ,1987 **Primary Maths Teacher Resource Book 3** Greg Weeks,2011-11-17 This resource book will help teachers with providing activities practice and worksheets for students
