The Economics Of Cuban Sugar:

The Economics of Cuban Sugar Jorge Pérez-López, 2010-11-23 Sugar the backbone of the Cuban economic life for centuries continues to dominate the economy of socialist Cuba After initial attempts at diversification following the Revolution the Cuban regime rehabilitated the sugar industry in 1965 making the country again vulnerable to swings in world market prices and the dangers of overdependence on a single agricultural product Perez L pez examines the various efforts at economic planning in the years following the Revolution and provides in depth analysis of aspects particular to the sugar industry cultivation mechanization energy and transportation refining and the manufacture of sugar derivatives production costs and foreign trade Cuban Sugar in the Age of Mass Production Alan Dye, 1998 This book examines the modernization of the Cuban sugar industry from the end of the Cuban War of Independence throughout the ensuing boom in the sugar industry An underlying theme of the book is the close connection between the technical and organizational changes in the Cuban sugar industry and the technological changes behind the managerial revolution in industrial countries The technical changes in the sugar industry marked by the diffusion of mass production technologies and the adoption in Cuba of modern central factories were characteristic of most progressive industries of that time In general the application of mass production technologies heralded the transition from proprietorships to modern hierarchical and corporate forms of business organization This book links the development in the Cuban sugar industry to the global movement in business organization and technology that has been referred to as the rise of managerial capitalism The first three decades of the twentieth century have been recognized as critical in Cuba s history because the economic foundations including the rise of sugar latifundismo were laid for the Cuban revolution Most of the existing literature has focused on the social impact of the profound socio economic and institutional changes that came with the massive entrance of capital from North America The line of investigation in this book is unique in that it examines the economic factors that underlay these socio economic and institutional changes What have frequently been seen as the effects of political intervention or imperialism the author identifies as economic outcomes caused by mass production technology This is the first book to apply the tools of the new economic history to Cuba complementing traditional historical methods with rigorous use of economic theory transaction cost economics and quantitative methods to arrive at its conclusions **Reinventing the Cuban Sugar Agroindustry** Jorge F. Pérez-López, Jose Alvarez, 2005-01-01 The demise of the international socialist community led to a loss in preferential markets for Cuban sugar industry In response to the current crisis this volume gathers over a dozen recognized world experts on Cuban agroindustry to analyze specific topics and make recommendations that would reinvent the industry for effective transition to a free market environment **The Economic Impact of U.S. Sanctions with Respect to Cuba, Inv. 332-413**, **The Quarterly Journal of Economics** Charles Franklin Dunbar, Frank William Taussig, Abbott Payson Usher, Alvin Harvey Hansen, William Leonard Crum, Edward Chamberlin, Arthur Eli Monroe, 1923 Vols 1 22 include the section

Recent publications upon economics **The Economics of Everglades Restoration** Richard Weisskoff, 2005-01-01 The book provides valuable contributions on three related fronts It places past and current debates on ecosystem restoration of the Everglades in a clear systems context that acknowledges feedback between ecosystem quality and economic growth shows for the case of the Everglades that good intentions of providing generous financial support for restoration may lead to undesired effects that actually run counter to the original goal and demonstrates the use of regional modeling tools to develop consistent baseline forecasts and alternative scenarios Matthias Ruth University of Maryland College Park US The restoration of the Florida Everglades the largest ecosystem restoration project in the world is now underway Missing from the original plan however is a study of the region s cities and farms and the economic impact their growth will make on this already endangered ecosystem This book provides that analysis **Gunton's Magazine of American Economics and Political Science** Starr Hoyt Nichols, Stanhope Sams, 1899 **Agricultural Economic Report** , 1977 **Revolutionary Cuba** Luis Martínez-Fernández, 2014-09-16 This is the first book in more than three decades to offer a complete and chronological history of revolutionary Cuba including the years of rebellion that led to the revolution Beginning with Batista s coup in 1952 which catalyzed the rebels and bringing the reader to the present day transformations initiated by Ra l Castro Luis Mart nez Fern ndez provides a balanced interpretive synthesis of the major topics of contemporary Cuban history Expertly weaving the myriad historic social and political forces that shaped the island nation during this period Mart nez Fern ndez examines the circumstances that allowed the revolution to consolidate in the early 1960s the Soviet influence throughout the latter part of the Cold War and the struggle to survive the catastrophic Special Period of the 1990s after the collapse of the U S S R He tackles the island s chronic dependence on sugar production which started with the plantations centuries ago and continues to shape culture and society He analyzes the revolutionary pendulum that continues to swing between idealism and pragmatism focusing on its effects on the everyday lives of the Cuban people and bucking established trends in Cuban scholarship Mart nez Fern ndez systematically integrates the Cuban diaspora into the larger discourse of the revolution Concise well written and accessible this book is an indispensable survey of the history and themes of the socialist revolution that forever changed Cuba and the world A History of Sugar Marketing Through 1974 Roy A. Ballinger, 1978
