Holder,Dewar MacLeod,1995-04-13 Radical History Review presents innovative scholarship and commentary that looks critically at the past and its history from a non sectarian left perspective RHR scrutinises conventional history and seeks to broaden and advance the discussion of crucial issues such as the role of race class and gender in history      **The Saturday Review of Politics, Literature, Science, Art, and Finance** ,1927      **The Writer** ,1927 The oldest magazine for

literary workers      *Women in Atlanta* Staci Catron-Sullivan, Susan Neill, 2005-02-02 Although Southern women are often portrayed as belles the photographic record suggests the true diversity complexity and richness of their lives In their roles as wives mothers teachers pilots businesswomen and reformers among others women contributed greatly to the growth and development of the region In Atlanta they helped remake a small railroad hub into the thriving capital of the New South The photographs in this book drawn from the collections of the James G Kenan Research Center at the Atlanta History Center depict Atlanta women at work and at play from the mid 19th century to the 1970s In addition to illustrating womens dramatically changing roles during this period the volume situates these women within the emerging regional and national contexts of their time      *Away Down South* James C. Cobb, 2005-10-01 From the seventeenth century Cavaliers and Uncle Tom s Cabin to Civil Rights museums and today s conflicts over the Confederate flag here is a brilliant portrait of southern identity served in an engaging blend of history literature and popular culture In this insightful book written with dry wit and sharp insight James C Cobb explains how the South first came to be seen and then came to see itself as a region apart from the rest of America As Cobb demonstrates the legend of the aristocratic Cavalier origins of southern planter society was nurtured by both northern and southern writers only to be challenged by abolitionist critics black and white After the Civil War defeated and embittered southern whites incorporated the Cavalier myth into the cult of the Lost Cause which supplied the emotional energy for their determined crusade to rejoin the Union on their own terms After World War I white writers like Ellen Glasgow William Faulkner and other key figures of Southern Renaissance as well as their African American counterparts in the Harlem Renaissance Cobb is the first to show the strong links between the two movements challenged the New South creed by asking how the grandiose vision of the South s past could be reconciled with the dismal reality of its present The Southern self image underwent another sea change in the wake of the Civil Rights movement when the end of white supremacy shook the old definition of the Southern way of life but at the same time African Americans began to examine their southern roots more openly and embrace their regional as well as racial identity As the millennium turned the South confronted a new identity crisis brought on by global homogenization if Southern culture is everywhere has the New South become the No South Here then is a major work by one of America s finest Southern historians a magisterial synthesis that combines rich scholarship with provocative new insights into what the South means to southerners and to America as well      **University of North Carolina Extension Bulletin** University of North Carolina (1793-1962).
